**Bonnet-Mitten Gift  
Saves for War Bonds**

Economy is important in your Christmas gifts—this year, for every penny saved can be turned into more War Bonds. Your gifts will be as welcome as ever, if you make them yourself with an eye to originality, usefulness and charm. For the teen-ager, nothing is more heart-warming, nor hand-and-head-warming, than a gay bonnet and mitten set. Make them from wool remnants—for added saving—and sprinkle with felt flower appliques. Patterns for these accessories are available at local stores.
