places of meetings. The Duplin County Agricultu-al Workers Council met Tuesday light, January 10, in the Agricul-tural Building in Kenansville. General economic problems fac-ing farm families in 1945 were dis-cussed. Production goals, outlook ceiling and price supports were discussed by the County Agent. Tamily income, foods, clothing health were discussed by the Home Demonstration Agent. It was generally agreed that the peak in farm prices have beam and that farmers and farm fami-lies should be very cautious as we enter the period of declining pri-od debts should be avoided old debts should be reach farm adjustments should be kept in line with earnings. Necessary is over we cannot afford to gamble being in mind that until the war is over we cannot afford to gamble on having a shortage of vital food. feed, and fiber. A series of community meetings Ahead Into 1945" will be discus-sed with farm families. The sched-ule is as follows: Friday night, Jan. 12, Faison; The House and Senate received bills Tuesday morning to set aside \$51,585,079, from the State's sur-plus fund for the retirement of the General Fund Indebtedness. This in my colnion will be very wise legislation, if and when it is adonted into law. A bill has been introduced in the Senate to raise by 10% the sal-aries of principals and teachers for the last four months of the current school year. The 10% raise would be based on present salaries and war bonuses. Bills will be introduced later to take care of the salaries of teachers and State employees for the next biennum.
