Woman's Club Anniversary Party

The Woman's Club of Kenansville celebrated their 21st birthday on Thursday of last week. The club room was lovely with a profusion of blue and white flowers, the club colors. The table was covered with an imported lace cloth and adorned with white tapers. In the center was a beautiful birthday cake with candles, encircled by nosegays of blue and white flowers. Mrs. J. E. Jerritt presided at one end of the table pouring coffee. Mrs. G. V. Gooding cut the birthday cake. Corsages were presented Mrs. L. A. Beasley, Mrs. J. E. Jerritt, Mrs. N. B. Boney, and the club president, Mrs. G. V. Gooding for outstanding work during the past year. Annual reports were given. The members of the Kenansville School Faculty were special guests for the afternoon.

You sit and criticize the whole day
If you could our places fill,
Would you sit and criticize still?
And when at last at the end of the road
Will you think of the apologies you owed?
And when I've paid the price with my life

To You Who Criticize

Do you who criticize all you may,
Ever think of the price others pay,
No matter how hard we try to prove,
Some believe your harried mood.
You know we suffer, we toil and pray,
But criticize is the way you pay,
Perhaps at church or home it's true,

DON'T LET SHOE RATIONING WORRY YOU.

RETONGA ASTONISHED HIM SAYS TOBACCO MAN

He Felt So Tired Out He Could Hardly Drag Thru The Day, Says Mr. Bass Eats Anything Now; Regained 7 Lbs. Feels Fine Again.

MR. GUY BASS

"My friends are astonished at the relief Retonga gave me and it would be hard for me to praise it enough," gratefully declares Mr. Guy Bass, well-known tobacco farmer of Route 3, Wilson, N. C. Mr. Bass stated that he also has regained seven pounds of needed weight.

"For about a year I felt so tired out I could hardly drag through the day," he stated, "and it seemed to me that everything I ate gave me indigestion. I had no appetite at all, and I felt so nervous I never seemed to get a restful night's sleep. Mornings I dragged myself out of bed feeling completely worn out, and I had to take harsh salts practically every day. I tried one treatment after another, but I felt no better.

"Retonga gave me prompt and wonderful relief. I now enjoy three hearty meals every day, and I

sleep like a log, as they say. The constipation is relieved, too, I have regained seven pounds and I feel strong and full of pep again. Retonga beats any medicine I ever saw."

Retonga is intended to relieve distress due to Vitamin B-1 deficiency, constipation, insufficient flow of digestive juices in the stomach, and loss of appetite. Accept no substitute. Retonga may be obtained at the Kenansville Drug Store in Kenansville, or at the Warsaw Drug Co., in Warsaw. (Adv.)

Bert Loses the War Single-Handed

Bert Childer's house burned last week, and the only good thing that came out of it was it cured him of swearing. Bert just couldn't think of words to fit the occasion, so he just gave up.

Bert admits it was his own fault. Started with a field fire which he thought he had under control, and when he turned his back a minute for a breathing spell, the fire sprang up twice as large. By the time the firemen arrived, there wasn't much that they could do.

From where I sit, there's a moral in Bert's experience. A lot of us feel we've got the fire of this war under control... that we can relax a little, maybe let up on buying bonds, donating blood, or fighting inflation.

Just like Bert lost his fight against the fire, we can lose this fight against our enemy if we let down now. Because war, like fire, is never over till the last spark is extinguished.
