SHE FEELS FINE NOW And THANKS RETONGA

For Two Years She hardly Knew What It Was To Be Free Of Distress From Indigestion States Mrs. Haney. Eats Anything Now.

MRS. LENA HANEY

"Retonga gave me such wonderful relief it is a pleasure to tell others about this grand medicine," declares Mrs. Lena Haney, well known business woman of 894 Kirkwood Ave., Atlanta, Ga., in adding her name to the thousands happily praising this noted medicine. Discussing her case Mrs. Haney gratefully continued: "For about two years I hardly knew what it was to be free of distress from indigestion. I rarely ever ate a full meal, and after even a light meal I would suffer miserably from sour stomach and gas pains that kept me using home remedies all the time. At night the slightest noise would wake me up and I could not get back to sleep for an hour or two. I was almost a slave to laxatives, and I felt so bad all the time that it was surely a task to look

after my business. "Retonga gave me grand relief. My appetite is good and I never think of distress from indigestion. I sleep splendidly, and I have discarded those harsh laxatives. I feel fine. Retonga is the grandest medicine I ever saw." Retonga is intended to relieve distress due to Vitamin-B-1 deficiency, constipation, insufficient flow of digestive juices in the stomach, and loss of appetite. Accept no substitute. Retonga may be obtained at the Kenansville Drug Store in Kenansville, or at the Warsaw Drug Co., in Warsaw. (Adv.)
