

Lumberton Tobacco Market All Set For Opening

Lumberton, July 23 — Lumberton's highly popular flue-cured tobacco auction market is scheduled for opening at 9 o'clock next Wednesday, August 1, with the six daily sales system long in use on that market to be followed again this year. The season is expected to run to around November 1.

Sales Supervisor Jasper G. Hutto has announced that the excellent tobacco crop in the Lumberton territory indicates another record year in poundage and price for the market. He says prospects are that the selling this year will start with all warehouses filled, in view of the fact the crop is earlier than usual.

The ten Lumberton warehouses will operate again this year under the same management that has been in charge for a number of years, with no change in operating personnel. The warehouses are Britt-Farmers, Carolina-Banner, Hedgpath Nos. 1 and 2, Liberty Nos. 1 and 2, and Smith-Carlyle.

All warehouses and the two modern redrying plants have been reconditioned for the coming season. All of the big buying companies, with a number of dealers and individual buyers will be back on the Lumberton market again this year.

BOGUS SHOE STAMP

Taking steps to curb the increasing number of counterfeit shoe coupons, OPA is launching an enforcement drive against dealers accepting "bogus" stamps.

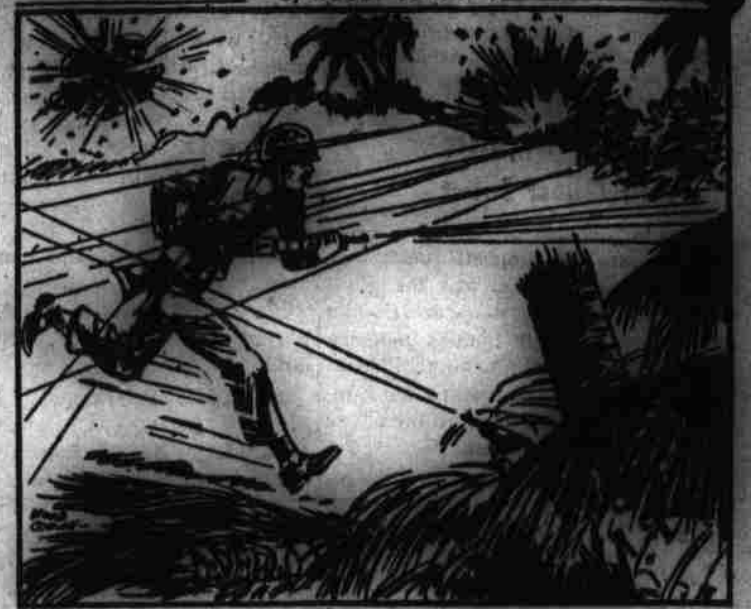

In order to be legally acceptable, shoe stamps must be torn from the War Ration Book in the presence of the merchant or his employee.

OPA pointed out also that enforcement action would be taken against merchants found in violation, adding that this would entail suspension of their right to deal in rationed shoes.

AMERICAN HEROES

by WOODY GOWAN

WHO wouldn't buy War Bonds to support men like Pvt. Donald R. Lobaugh, Freeport, Pa.? With his platoon's withdrawal blocked by enemy machine guns, he advanced alone and freed it. Crawling close to the enemy position under heavy fire, he threw a hand grenade and then rushed the Nips, firing as he went. Struck time and again, he killed two of the enemy and forced the others to withdraw before his last fall. The Medal of Honor was awarded him posthumously.

YOUR FINGER TO THE DIKE

DUPLIN COUNTY will be flooded with tobacco in a few days. There's a leak in the dike because of the labor shortage. Your finger can help stem the tide.

THOUSANDS of extra workers are needed to help harvest the tobacco crop. The situation is serious and it requires the help of everyone. Outside labor cannot be depended upon to do the job. It's up to us to save every single leaf in Duplin County.

FROM his foxhole in the South Pacific, G. I. Joe is calling for his smokes. Home supplies of tobacco need to be harvested. Let's save this 1945 crop without any loss.

ENROLL as a victory volunteer. Don those overalls, march to the County Agent's office, and find out what hole in the dike you can plug.
