## Philathea Class Meeting Held.

The Philathea Class of the Baptist Sunday School met Thursday night in the home of Mrs. Macon Hollingsworth with Mrs. Hubert Worthington as hostess and 28 present.

Miss Mary Hester Powell, Class President, was in the chair and chose for her topic for the month "Rock of Ages". To emphasize this the room was darkened and a small covered light reflected on a white cross. Miss Eva Carter and Mrs. Emmett Roark, accompanied at the piano by Miss Fannie Wilson, sang the first verse of Rock of Ages, after which Mrs. L. S. Whittle read an appropriate Psalm and Miss Annie Kate Powell gave a vivid description of the Rock of Ages sanctuary deep in the heart of Carlsbad Caverns, which is over 700 feet in the earth of New Mexico. Following business, the class chose for their "Service Man of the Month" Chief Petty Officer J. T. Greene, USN, who has been with the Fleet at Pearl Harbor for the past eight months.

The hostess served a tempting course of homemade ice cream and cookies.

## Sallie E. Johnstone Bible Class Meets

The Sallie E. Johnstone Bible Class of the Methodist Sunday School met Wednesday in the home of Mrs. J. J. West with her daughter, Mrs. Sterling Marriner, joint hostess and 14 present.

Mrs. C. B. Best, Vice President, presided in the absence of the President, Mrs. Sam Powell. She also read the devotionals. Mrs. H. R. Hipp taught the Bible Study and following the routine business the hostesses served a frozen salad course with pimento sandwiches.

## Honored On Birthday

One of the loveliest of children's parties recently was that of Tuesday afternoon when Mrs. L. A. Brown entertained a dozen children honoring her son "Red" on his 8th birthday.

Numerous games and contests were enjoyed and later the children were gathered around a camp fire where they roasted weiners after which the attractive birthday cake was served. "Red" received many attractive gifts.

## AMERICAN HEROES

by WOODY COWAN

DISREGARDING his own safety when a Merchant Marine vessel struck an enemy mine in a heavy sea which broke the ship in half, Third Assistant Engineer Francis C. Rack carried his Chief on deck after all usable lifeboats had shoved off. Seeing an empty boat adrift, Rack dove into the sea and swam to it. He managed to propel it to the sinking ship and transferred the Chief Engineer. Rack was awarded a distinguished service medal. When seamen show such courage in using equipment that War Bonds helped to provide, Americans know that their investment in Bonds never can be big enough.
