

Mr. and Mrs. Fussell Celebrate Golden Wedding Anniversary

reception at "The Pines" in Rose Hill, home of Jesse and Cumie Mallard Fussell, marked the celebration of their Golden Wedding Anniversary on Tuesday evening, November 20. More than four hundred of their friends called.

The entire family was present to join with Mr. and Mrs. Fussell in commemorating their fifty years of marriage. The four dau-

ughters are Mrs. Herbert Charles Marshall, Mrs. Latham Aidon Wilson, Miss Betty Wells Fussell and Miss Edna Lee Fussell, all of Rose Hill. Grandchildren are Miss Helen Cumie Marshall, Greensboro, Herbert Charles Marshall, Jr., State College, Raleigh; Elizabeth Wilson Cunliff, Duke University, Durham; Jesse Fussell Litchfield Wilson, USN; Patricia Ann Wilson, Louisburg College, Louisburg; Julien Fussell Marshall, Barbara Mallard Wilson and Shirley McPhail Wilson, of Rose Hill.

The traditional golden wedding cake graced the center of the lace covered table.

Miss Edna Fussell directed the

reception for her parents.

Party Dress Aid To Victory Loan

Dress-up school dances call for gay frocks. This one is black and white plaid rayon accented with a pointed midriff of black crepe. Making it from a pattern which can be found at local stores, a thrifty schoolgirl can amass savings for Victory Bonds. U. S. Treasury Department

FLUSH KIDNEY URINE

Faison Vets Organize Basketball Team

A number of young men of the Faison community recently orga-

nized a basketball team and started practice. Most of the boys are returned World War II veterans and former high school and college players.

This team would be glad to hear from other teams in the eastern part of the State who are plan-

ning to play a schedule this Winter. The manager of any group interested might contact Mr. John Warren, Jr., Faison, N. C., to arrange the schedule.

Faison has organized an independent girls team also and they

are interested in basketball schedules. Both teams played Calypso on the Faison court last week and turned in a pair of wins.

ANNOUNCEMENT

We are starting construction this week on a Building Block Plant in the town of Warsaw.

Our plant will be equipped with all new modern machinery of the latest design and will be operated on the latest engineering methods, including low pressure, high temperature kilns for curing.

Our plant will have a capacity of sufficient blocks for four complete dwellings per day.

We will manufacture a complete line of building blocks including cinder blocks, concrete blocks, super rock building blocks, waylite blocks, and other light weight aggregate blocks in all sizes.

We expect to have our Plant in production in sixty days. Watch this paper for further announcements.
