

Lucky Dog

Edith Fellows, screen and stage star seen recently on Broadway in "Marinka," and Nanette Fabray, the lead in "Bloomer Girl," relax between performances in their New York City apartment, while "Bloomer Girl," their cocker puppy seems to be trying to think of something she can do besides reading or crocheting. Edith and Nanette have learned that living in a city apartment need not deny them the pleasure, loyalty and devotion that their dog brings.

Charlie Joins March of Dimes

Charlie McCarthy is no dummy, according to nine-year-old Hannah Toomey of 335 East 54th Street, New York City. At least, he is right there when it comes to a good cause such as the March of Dimes Campaign, January 14-31. While Edgar Bergen looks on, Hannah shows Charlie one of the new dime cards for school children. A victim of infantile paralysis, Hannah was aided by the National Foundation for Infantile Paralysis and wants to see other unfortunate children have the same care.
