Cardui, many women say, has brought relief from the cramp-like agony and nervous strain of functional periodic distress. Taken like a tonic, it should stimulate appetite, aid digestion, thus help build resistance for the "winter" to come. Started 3 days before "your time", it should help relieve pain due to purely functional periodic causes. Try it!

MISSISSIPPI'S CONTRIBUTION

The U. S. Waterways Experiment Station, near Vicksburg, Miss., solves problems arising in the improvement of rivers and harbors throughout the Nation. Over 10,000 women in the state can three million quarts of food a year; a Pascagoula factory makes beach slippers from wood, and 80 per cent of the Nation's shrimp is caught and shipped there. Their contribution to the National wealth behind Savings Bonds will increase in coming years. U. S. Treasury Department
