Uncle Sam Says

One of the fine old American customs is to look a new year with a lot of good wishes. Some we keep, others we forget. But the custom of registering to vote is the one that helps us and our friends. You're being a good American to resolve to do something or other from this day on until eternity. You're being a better, wiser American to make a solemn resolution to strengthen the future security of you and your family.
Resolve to put a vote of confidence in the hands of the U. S. Government. Invested in the U. S. Government.

ARE YOU JUST A PLAYTHING OF NATURE?

Nature may endow you with breathtaking beauty, a lovely curvaceous figure. She may bestow gifts on you that make you a brilliant actress, a leader in your class at college, sought after at dances, or a charming wife and mother.
Yes, Nature may do all this. And yet you may find your face mockingly slapped if you suffer these distressing symptoms, which so many unfortunate girls and women do.

Something You Should Not Joke About!
So if female functional monthly disturbances are causing you to suffer from pain, nervous distress and feel weak, restless, so cranky and irritable that you almost turn into a 'she-devil' on such days - THIS IS SOMETHING YOU SHOULDN'T JOKE ABOUT. Start right away - try Lydia E. Pinkham's Vegetable Compound to relieve such symptoms. It's famous for this purpose. And don't

forget - Pinkham's Compound does more than relieve such monthly pain. This great medicine also relieves accompanying nervous tension, irritability, those tired-out, mean 'pick-on-everyone' feelings - when due to this cause. Taken regularly throughout the month - Pinkham's Compound helps build up resistance against such distress - a very sensible thing to do. Just see if you, too, don't remarkably benefit! All drugstores.
