Resolution Of Respect

A committee appointed by Chapter No. 237 Order of the Eastern Star respectfully request the following preamble and resolutions attesting our esteem and affection for our departed brother, Thurman Brown; and

Uncle Sam Says

You have heard people say, "why save at a time when prices are going up?" We cannot all be economists; and it is perhaps just as well, for they seem to differ a great deal among themselves about the future. But we all know this: A man who saved a dollar 10 years ago is better off today than the man who didn't; and other things being equal, the man who saves a dollar today will be better off in 1957 than the man who doesn't.

United States Savings Bonds offer you the opportunity to save at a profit. Thus every \$3 you lay away now will come back to you in 1957 with an extra dollar in interest. You don't have to be an economist to know a good thing when you see it.

U. S. Treasury Department

request the adoption thereof:
Whereas, according to the eternal purpose of Him who doeth all things well, our friend and distinguished Brother finished his earthly mission in the conflict of human life January 12, 1947 and has entered into that reward which God has promised all those who faithfully serve Him; and
Whereas, his death occurred after much toil and hardships, although gaining for himself a good name for he was a friend to all, has left a vacancy in our midst which will be hard to fill; and

Whereas, we, the Sisters and Brothers of the Beulaville Chapter No. 237 desire to bear testimony to his active, useful and fragrant life. He, being one who loved his fellowmen and having a very personal and particular love for this Chapter which he was serving as Associate Patron, and a Charter member when the Chapter was instituted April 6, 1945, it is our firm opinion that no one has been more faithful to his convictions of right, more obedient to the demands of Honor and Justice than Brother Brown. Remembering this, we are inspired with new hope and earnest purpose to lift fraternal friendship and love to greater heights. He was a faithful steward of his church, a faithful representation of the ideals of Masonry and a faithful Eastern Star. We can look upon his past life and realize that a good name is rather to be chosen than great riches for he was Fairest Among Thousands altogether Lovely.

Therefore be it resolved: That the sincere members of Beulaville Chapter No. 237 be extended to the entire family; that these resolutions be incorporated in the minutes of our Chapter; a copy be sent his Family; a copy to the Duplin Times; and a copy to the Tar Heel Star News.

Resolved further, that at the meeting when these resolutions are presented, we arise and stand for thirty seconds and then be led in prayer by Sister Effie T. Mercer as thankful acknowledgement of the good example set by our Brother and as an incentive to those who survive to emulate his

life of service.
Respectfully submitted,
Mrs. Piccola Kennedy,
Mrs. Callie W. Miller,
Mrs. Olive T. Kennedy.

Beulaville H D Club Met Feb. 4

The Beulaville Home Demonstration Club met at the home of Mrs. J. D. Jackson on February 4 at 3 p. m. with Mrs. Gardner Edwards presiding. Twenty-one members answered the roll call and two visitors were present. Mrs. Tyson Dobson and Mrs. Lou Belle Williams.

The club voted to buy a \$10.00 advertisement on the ad curtain which the local PTA is getting up to help buy a new stage curtain and draperies for the school auditorium.

Mrs. Vera Bostic and Miss Ernie Sanderson gave interesting talks on "Removing Stains" and "Family Life." We also enjoyed a talk made by Miss Hilda Clontz on "Eat Your Way To Health."

After the business session, a musical contest was given under the direction of Mrs. Orzo Thigpen and Mrs. Jim D. Sandlin.

The joint hostesses, Mrs. Jackson, Mrs. Richards and Mrs. R. L. Evans, served a tempting salad course.

Thanks

The Beulaville PTA wish to thank each person who so graciously helped on the ad curtain. The ads have all been sold - netting an income of \$872.50 which will be spent in buying a new stage curtain and draperies for our school auditorium. Our County Superintendent, Mr. O. P. Johnson, has promised to fix up the floors, the plastering, and paint the auditorium - and we want all of this done and the curtains installed for our Seniors when they graduate in May.
