Farm Bureau Song

Below you will find a song, written to the tune of "Turkey in the Straw" and used as Convention Song by the Associate Women of the Farm Bureau in Asheville, Feb. 2-5. The song was written by Norma Ward (Stanfield), a native of our own fair county, DUPLIN.

The song:
The Farm Bureau of the Old North State
Has grown so fast and grown so great
The far heels come from far and near
To learn what will happen to it this year.

Chorus:
The Farm Bureau of the Old North State
It is so grand and it is so great
We will sing its praises loud and long
Until we are one million strong.

We will dream all night and work all day
For this the Farm Bureau will repay
The cash we need down on the farm
To keep the children from all harm.
