Kenansville P. T. A. Met Monday Night

The Kenansville P. T. A. met Monday evening with the president, Mrs. N. B. Boney presiding. The P. T. A. song was sung and the devotional services were conducted by Rev. John M. Cline. The program "The Corner of Health" was presented most effectively by the Duplin County Board of Health, Dr. G. V. Gooding, county health officer, was introduced by the program chairman, Miss Lela McDonald, and made a short talk on the work of the County Health Department, and stated that the health department of Duplin County was organized in 1934. Dr. Gooding also stated that it was impossible to serve a county of this size in preventative diseases and the various other works of the department with such a small staff and that he hopes that the staff will be increased by July 1. For an example of the necessity of vaccinations and inoculations, Dr. Gooding stated that in 1930 there were 100 cases of smallpox in Duplin whereas in the past few years only one case a year has been found.

Dr. Gooding introduced Mr. Richard Gay, County Sanitarian who discussed the value of school lunch rooms and the necessity of the lunch rooms serving real, substantial meals. High standards of nutrition and sanitation in all lunch rooms of the county must be maintained, stated Mr. Gay. The Kenansville lunch room ranks the highest of any lunch room in the county in sanitation.

Miss Mary Lee Sykes, County Health Nurse, spoke on T. B., and discussed the state program which is making a desperate effort to

have every person in North Carolina X-rayed. Miss Sykes stated that the Health Department did all that it could when T. B. patients were discovered to keep it from spreading to other members of the family.

Mrs. Finaison, County Health Nurse, spoke on the program of the Health Department in the schools. She further stated that home visits were made to parents of defective children; quarantines are enforced; lectures on health are made; children checked for weight, bad eyes, teeth and communicable diseases; immunization program is carried on. Mrs. Finaison stressed the importance of cooperation of mothers, teachers and health workers.

During the business, Miss Mildred Pate, local teacher, spoke on the school teachers problems and their efforts to support the Piedmont plan. The Kenansville P. T. A. went on record as approving the Piedmont plan. Miss Pate urged the parents to help their children by getting trained teachers back in the profession which can only be done by paying our teachers enough to live on.

The attendance prize was won by Mrs. Hallie Daughtry's room in grammar school and Miss Louise Ellis' room in high school. Reports were made by each committee chairman. During the business session, it was voted to donate \$200 to the school lunch room. \$34.33 was donated by the Kenansville Woman's Club to be used in the lunch room for milk for underprivileged children. Mrs. Clarence Murphy, manager of the lunch room, was given a rising vote of thanks for her splendid work in the lunch room.

The new officers: Mrs. E. V. Vestal, president; Mrs. N. B. Boney, vice-president; Mrs. W. M. Ingram, secretary; and Mr. Gilbert

Alpha, treasurer. They were installed by the out-going president. A moving picture on Red Cross work was shown after which coca colas and cookies were served by the refreshment committee.

Miss Ellis Is Hostess To Club

Miss Louise Ellis entertained the members of her bridge club last Tuesday evening in the home of Mrs. G. V. Gooding. Early spring flowers were used for decoration. When scores were tallied, Miss Hilda Clontz was awarded high score and Miss Mildred Pate second high. The hostess served delicious strawberry shortcake and coffee.

Sewing Club Meets

Mrs. O. P. Johnson was hostess to the members of the B. M. G. Sewing Club on last Tuesday afternoon. Miss Lula Hinson was the only visitor. After the regular sewing bee the guests were invited into the dining room where the hostess served fruit jello, pound cake and coffee. The dining room was decorated most attractively with yellow jonquills and yellow candles.

Girl Scouts Meet Tuesday

The Girl Scouts held their regular monthly Board of Review in the home of Miss Alice Jolly with 19 members present. Mesdames I. C. Burch and P. J. Dobson assisted the scout leader, Mrs. N. B. Boney, in a discussion on architecture. Pictures and examples of dark Ionic and Corinthian columns were shown. The scouts as a group are working on their architecture badges. A social hour was enjoyed and the young hostess assisted by her mother, and sister, Nida, served Indian punch and cookies.

Woman's Club Holds Meeting

The Kenansville Woman's Club met last Thursday afternoon in the club rooms with the president, Mrs. A. T. Outlaw, presiding. During the business session, the following officers were chosen: Mrs. P. J. Dobson, president; Mrs. John A. Gavin, vice-president; Mrs. Harvey Boney, secretary; and Mrs. C. B. Sitterson, treasurer. The executive committee will appoint department chairmen later. Mrs. J. G. Morrison, chairman of the Fine Arts department, was in charge of the program and she in turn presented Rev. J. G. Morrison who showed colored slides of tropical flowers and plants of pictures he made himself while serving as Chaplain in the army on the Hawaiian Islands. After the program, members of the fine arts department served angel food cake, coffee and nuts.

Wilmington, N. C. — Dr. J. M. Jenkins, Jr., Horticulturist in charge of the Vegetable Research Laboratory, states that last year cucumber growers suffered losses as a result of downy mildew and angular leaf spot infection. He says that the original infection usually comes from infected seed. Therefore, an important control measure is the treatment of the seed prior to planting. The treatment for angular leaf spot consists of soaking the seed

in combating downy mildew, the best control consists of dipping the plants with a mixture of 6 pounds of cuprocidate to 94 pounds of clay at intervals of five to 10 days, depending upon the weather. Other dusts are available and may be satisfactory.

Mrs. Weeks Is Hostess To Club

On Tuesday evening, Mrs. L. F. Weeks was hostess to the members of her bridge club and an additional table. Lovely bowls of yellow daffodils were used for decoration. At the conclusion of play, Mrs. C. B. Guthrie was awarded high score for club members and Miss Mildred Pate for visitors. The hostess served tempting pear salad topped with cherries, crackers and coffee. During play candy was served.

F. F. G. School

The B. F. Grady 8th grade Basketball team beat the team of the 10th grade last Thursday evening with a score of 23 to 13. Playing in the 8th grade team were: Ruth Teachey, Sarah Waters, Edith Byrd, forwards; Inez Smith, Anise Kelly and Wilma Gray Smith, guards.

for 5 minutes in a 1-1000 solution of bichloride of mercury. Then the seed is washed for at least 2 minutes in 3 washes of clear water to remove the mercury. Afterwards it is spread to dry in a shady place, but care must be taken to dry the seed quickly. One bichloride of mercury tablet to one pint of water makes a 1-1000 solution. It is a deadly POISON.
