"In Memory"

In Memory of my Dear Twin Brother, Mr. Clarence Thomas, Jr.'s 22nd birthday, March 22, 1947. Mr. Thomas was killed in a tragic wreck September 18, 1946. Little Brother, little brother, what must I say? Today is our birthday, and you have passed away. The gladness of the day is gone, and my tears are all in vain; If we could only celebrate it like we once did again! What a sad, aching feeling it gives me; I feel just like I could die, since you left me and gone to your home on High. For I am having to wander all alone with no one that really cares; But you aren't forgotten, little brother, nor ever shall you be; For as long as life and memory lasts, I shall remember thee. There's a little word called "bro-

ther," and it touches my very heart, with a tenderness and beauty, that for you is set apart. In all the world of brothers, sweet and fine and precious too; I know there's no other deep in my heart little brother, there is only you.

By his twin sister

SUGAR — REMINDER

Housewives were reminded by OPA that Spare Stamp No. 53, currently good for 5 pounds of sugar, must be "spent" before March 31, or not at all, since it expires on that date, one month earlier than originally intended.

On April 1, OPA begins the use of ten-pound stamps, with Spare Stamp No. 11 becoming good for ten pounds.

OPA emphasized that there will be no special stamps set aside this year for canning sugar, so go easy.

Beulaville Bugle

By BOB

Well, your Bugler went to another auction sale a few days back, yep! - If anyone wants a cross cut saw, see me; anyway that's better than a blind mule.

Everything happens to me, went to the Basketball game in Wallace last week and tried to toss in a few between games, yep, you guessed it, that's how I lost another tooth,

now I've GOT to go see a dentist. (I don't love that word).

The Model Theatre (I do love those words) was again the scene of a town meeting last night, (Monday, Mar. 17) for the purpose of nominating city officials. A fairly good crowd turned out and the following were nominated: Stokley B. Postle, and Gordon Muldew for Mayor; the following to run for Board of City Commissioners: Arthur Kennedy, Sam A. Blizzard, Stephen A. Smith Gardner, Edwards, Archie Lanier, William Brown, John Henry Whaley, W. F. (Bud) Miller, Clifford C. Trott, Led B. Williams, with the winning five of the above to serve.

It might be a bit difficult to pick out any certain one to vote for, as it seems all are running on the same platform, this includes city lights, and street improvements, including more adequate drainage, as the first and most important undertakings, to be followed by an attempt to secure a city water supply and a program sponsored by acting Mayor Bostic to clean up and beautify the city streets and private yards. (Let's hope this means back yards as well as front yards).

An urgent plea was also made for all city residents to REGISTER for the election, as those failing to do so will not be qualified to vote; watch this column for the registration dates.

Now the thing for the voters to do is to pick out the men they think will make the above improvements the quickest, the most efficiently and the most economically. We all want these improvements, but quick, especially the street and lights program, so contact these candidates and get their views, then it's up to you to vote for the ones whose views most nearly parallel your own.

Now is the time for the citizens of Beulaville to do something, there has been too much talk and not enough action lately, so let's wake up and stop dreaming, work together and pull together and we'll get something done, and above all stop belly-aching. DO SOMETHING. -- More anon!!
