Attention Please

On the first Sunday night of May, at 7:30 o'clock, at Cabin Free Will Baptist Church, there will be a program given, sponsored by the Woman's Auxiliary. The feature is a Study Course of the Manual, with all vice-presidents, assisted by a large group of members as character.

The Second Vice-president, Mrs. Roy Kennedy, is the leader. There will be no charge for admission, however, an offering will be taken for the benefit of the general treasure.

Please come prepared to give according to your enjoyment and as God has blessed you.

We assure you that we will bring you a worthwhile, Christ-like program that will enlighten each of you as to what the Woman's Auxiliary stands for. So come, we welcome you, and be on time that you don't miss anything.

We are arranging special music; probably sacred string music, fiddle, mandolin and guitars with good quartette vocals: Foy Kennedy, violinist, Bernice Kennedy, guitar, Bernell Kennedy, guitar, Arland Mercer, mandolin.

Mrs. Roy Kennedy.

Beulaville P T A Holds Final Meet

The Beulaville P T A met April 14 in the Presbyterian church with president Williams presiding. An Easter program of scripture reading and music was given by the high school girls. Minutes were read and approved. Room attendance was taken by Miss Rosalyn Harris and Mrs. Virginia Quinn's ninth grade received the dollar for having the largest percent of parents present. The chairman of the standing committees gave their final reports. Membership chairman reported 289 members for the year. Finance chairman reported \$1,260.68 made during the year. In addition to this amount, the special committee for the Ad Curtain raised \$872.50, making a grand total for the year \$2133.18. Miss Mary Quinn Brown, the treasurer, reported \$26585.64 in the treasury. After a discussion of what the P T A money should be used for, Mrs. M. M. Thigpen made a motion that the balance, after the new curtains and draperies are paid for, be used for the improvement of the school grounds (most everyone knows this project was begun before the fire). The motion was seconded and carried. The nominating committee offered the same officers

for the following year as we had for this year. Nominations were in order but there were no others.

A motion was made and carried that the incumbent officers serve another term.

The P T A wishes to thank all that made it possible for the organization to use the Presbyterian church for their meetings, especially the cordial welcome that Rev. Morrison gave.

The President appreciates the cooperation of all the parents, teachers and others who worked so faithfully in making this year a success.

The new curtains and draperies are to be installed May 6, 1947.

Uncle Sam Says

This is getting-ready time for my farmer friends and neighbors. Today's plowing and investment in money and labor may or may not pay off in rich crops. There's a big if in every farm family's life. If the sun shines, if it doesn't rain too much, if we have a drought—if, if. However, there's one crop which has no "if" side. It's a crop of Savings Bonds, which grows steadily, rain or shine, wind or calm, year after year until it produces \$4 for every \$3. My city friends and neighbors can plant this crop, too, by joining and staying on the payroll savings plan or by arrangement with their bank. U. S. Treasury Department
