

Miss Helen Cumie Marshall is Bride Of Mr. Henry Daulton West

Ceremony in Rose Hill Methodist Church Unites Couple
In a candlelight service of charm and beauty, Miss Helen Cumie Marshall, daughter of Mr. and Mrs. Charles Marshall, and Mr. Henry Daulton West, son of Mr. and Mrs.

Joshua James West, of Warsaw, were united in marriage on April fifth. In a formal ceremony at six-thirty o'clock, the couple spoke their vows in the Rose Hill Methodist Church, with the Rev. Charles Thomas Rogers, pastor of the bride,

and Rev. Morris Williams, pastor of the bridegroom, officiating, using the double ring ceremony. Long leaf pine, interspersed with palms, smilax and baskets of Easter lilies were used as a background within the chancel railing, while tall stands of white tapers lighted the church. A floral pillow of lilies, fern and white satin ribbon centered the chancel at which the bridal couple knelt for the closing prayer. Family pews were marked by white satin ribbons and fern. Miss Anne Catherine Barden, pianist, gave a program of wedding music. A choir composed of Mesdames William Stokes Wells, Granville Sheffield, William Heman Hall, Horace Latham, James Murdock, Wilbur Clarence Fussell, and Murphey Singletary sang "Serenade" (Schubert), "A Dream of Love" (Liebestraum) "Litz" and "O Perfect Love" (Boudy). The bride, given in marriage by her brother, Herbert Charles Marshall, Jr., wore a period gown of white bridal satin with a veil of bridal illusion hung from a coronet of seed pearls; she carried a prayer book topped with a calla lily and showered with fern and lilies of the valley. Miss Marshall wore a strand of matched pearls, a gift of Mr. West.

Miss Edna Lee Fussell, maid of honor; Mrs. Sterling Marriner, of Warsaw, sister of the bridegroom; Misses Carolyn Jordan, of Elizabethtown; Rachel Long of Greensboro, and Patricia Anne Wilson, bridesmaids, wore period dresses of ice blue crepe with matching lace mitts and caps. They carried arm bouquets of American Beauty roses.

Herbert Jackson West, of Dallas, Texas, brother of the bridegroom was best man. Ushers were Joshua Milton West, Robert Lee West, brothers of the groom, James Norwood West, Jr., all of Warsaw, and Julian Fussell Marshall, brother of the bride.

Mrs. Marshall, mother of the bride, wore a gown of sheer blue and a bouquet of Dutch iris. Mrs. West, mother of the groom, was gowned in blue crepe and wore a corsage of red roses.

Immediately following the wedding, a reception was held at the home of the bride's parents. The couple then left for a wedding trip to Florida after which they will be at home in Warsaw.

3 HARVEST SEASONS every year Spring—Summer—Fall

with the ALL-CROP HARVESTER "SUCCESSOR TO THE BINDER"

All-Crop Harvester owners can grow several different kinds of cash producing crops . . . and harvest them all with this one home-owned machine. It is no longer necessary to depend on a single crop for your income. Three harvest seasons a year increase your profits and give you greater protection against drought and crop failure.

The All-Crop Harvester's wide, rubber-faced bar cylinder with its finger-tip speed control gives you a choice of over 100 crops. You can start your harvest with early clovers and grasses . . . followed by summer-ripening grains . . . then fall seed crops, sorghums and soybeans. Plan to own an All-Crop Harvester. Stop in and ask us for details.

"What Every Young Girl Should Sew . . ."

. . . is a new summer outfit, for hot weather descends on us so rapidly that it's the smart teen-ager who starts sewing today on the clothes she'll need for a sultry tomorrow! And even a beginner can achieve easy-to-make, easy-on-the-budget outfits by taking advantage of special after-school and Saturday classes for teen-agers at Singer Sewing Centers.

Here are two summer styles that should be "musts" in your summer clothes line-up. One is a poncho blouse (left) that drapes to give figure flattering lines but when you take it off, it's nothing more than a flat piece of fabric with a hole in the center to put your head through! Made from Simplicity Printed Pattern 1867, size small, medium and large, it can be turned out in rayon, cotton or any fabric of your choosing with wide eyelet embroidery trimming for peplum and sleeves. Team it with skirt of matching fabric and you have a complete dress. Or wear it with other members of your skirt collection.

The other summer suggestion is a dotted swiss easy-to-make "one-piecer" (right) . . . good for almost any sapling figure. Made from Simplicity Printed Pattern 1911, sizes 10-16, it will keep you cool and winsome-looking day and evening, too. Insertions of flat eyelet embroidery trim give it eye-catching appeal. And you'll find ruffings, insertion and other sewing accessories right at your Singer Sewing Center.

For traveling, the bride chose a grey wool suit with matching hat and black accessories, accented by a shoulder corsage of green orchids.

Mrs. West is a graduate of Woman's College of the University of North Carolina. Since her graduation in 1943, she has been employed with the Pilot Life Insurance

Company of Greensboro until several months before her marriage. Mr. West is a graduate of Louisburg College and served in the Air Corps of the United States Navy for four years.

Following the rehearsal Friday evening Mr. and Mrs. Robert Spellman Troy were hosts to the bridal party, relatives and out-of-town guests. The traditional bride's pink color effect was used throughout the floral and table arrangements. Among those honoring Mrs. West

at pre-nuptial entertainments were Miss Edna Lee Fussell, Mesdames Wilbur Fussell, Challey Walter Surratt, Jr., Theodore Rouse, Ben Harrell, Edmund Fussell, Joel Barden, Harvey Boney, Clayton Herring, Erchey Lanier, Horace Aldon Wil-

son, Miss Patricia Anne Wilson and Mr. and Mrs. Robert Spellman Troy all of Rose Hill and Mrs. Joshua James West, Mrs. Sterling Marriner, and Mrs. William Eason Taylor of Warsaw.

State College Answers Farm Questions

Q. How are poultry breed standards determined?

A. In setting the standards for the various breeds of chickens and other fowl, the American Poultry Association sets up an exacting description of the males and females of the breeds, and includes with this statement the defects and disqualifications of birds within a certain breed.

Q. Where can I secure a blue print for a farm building which I plan to construct?

A. The Agricultural Engineering Department at State College provides a farm building blueprint service which you may take advantage of by writing Prof. D. S. Weaver, care of the department. Your Extension Service county farm agent has also been supplied with these plans and will be glad to help you.

88-DAY TROUT SEASON IN MANAGEMENT AREAS

A fishing season which will offer a schedule of five days a week in trout streams of the cooperative wildlife management areas of Pisgah and Nantahala National Forests has been worked out by the N. C. Division of Game and Inland Fisheries and the U. S. Forest Service.

The full schedule, a list of checking stations, and information on how to reach the areas may be obtained by writing the Asheville Office of the Division of Game and Inland Fisheries, Law Bldg., Asheville, N. C.
