

PINK HILL-GRADY-SMITH NEWS & VIEWS

Srs. & Jrs. Take Bus Trip

The Seniors and Juniors of the Pink Hill High School, accompanied by Principal Wiley and Miss Carolyn Parish have returned from a sight seeing trip to points of interest in Western North Carolina. The party went by bus Wednesday and returned the following Saturday night. On their trip they visited Asheville, Chimney Rock, the Biltmore Estate, New Foundland Gap and other points of interest.

Auxiliary Is Entertained

Mrs. T. A. Turner was hostess to a meeting of the Presbyterian Woman's Auxiliary and circle which was the first for the new church year, at her home Monday night. The meeting opened with song and prayer was led by the president Mrs. T. A. Turner. Minutes of the previous meeting were read and roll called by Miss Lulu Tyndall, secretary. Reports from different secretaries were heard. Mrs. N. P. Farrior asked that one pound of clothing per member be donated for overseas relief. A visiting committee with Mrs. Jack Albright as chairman was appointed. The following were appointed to serve this month: Mesdames H. A. Edwards, Levi Everett, J. L. Johnson and Earl Smith. Mrs. Levi Everett was in charge of the circle program and Mrs.

Jones Smith of the auxiliary program. The hostess served a salad plate with tea. Sixteen members and one visitor were present. The next meeting will be held with Mrs. Levi Everett on Monday night, May 9 at 8 o'clock. Mrs. J. A. Worley will be the leader.

Piano Recital At Pink Hill School

The piano recital, recently held at the Pink Hill High School, was a notable success clear through to the finish. The beautiful and tactful decoration of the stage gave a very fitting background; and the pretty dresses of the participants gave color and added to the spirit of the occasion.

The pupils showed the result of much diligent application of time in memorizing their music. Not one failed to play her piece through. All gave creditable performances. The more advanced students played with assurance and expression to both themselves and their teacher.

The dances given as a relief from continuous musical recitals were very pretty, showed result of much practice, and fully achieved the purpose of their introduction.

The recital, judged simply on its own merits, was a fine demonstration of achievement; but when compared with the recital of a year ago, it was especially impressive, as it showed such a marked advance in the grade of music played by the participants, the confidence with which they played, and the expression they gave to their music. Judg-

ing by the manifest advance made by her pupils, Mrs. Egbert Grady has every reason to be very happy over this recital.

Announce Birth

Mr. and Mrs. Grover Duff of Pink Hill announce the birth of a son, Daniel Warren, April 25, at Parrots Hospital in Kinston.

Civic Club Meets

The Civic Club enjoyed a fish stew at their regular meeting at the school last week. It was decided that rather than have a member serve on the Feed Committee more than once during a year, to take funds out of the treasury for the supper. In absence of the president Mr. Lynwood Turner presided.

Birthday Hosts

Messrs Johnnie Holden and James Miles were hosts to their wives at a surprise birthday party at the home of Mr. and Mrs. Miles Thursday evening. Guests assembled at the home of Mr. and Mrs. Linwood Turner and went together. Four tables of bridge was played. After several progressions were played a birthday cake was cut by the honorees and served with party sandwiches and punch. Mrs. Linwood Turner and Mrs. Levi Everett was in charge of arrangements and refreshments.

Personals

Mr. and Mrs. Earl Coombs and son, and Mr. and Mrs. David Gardner and Ray Manning spent Sunday with Mrs. Coombs' mother, Mrs. Sarah Mercer near Beulaville. Messrs. Coombs, Gardner and Manning played ball at Beutancus Sunday afternoon. Mr. and Mrs. Bryce Worley and daughter of Richmond, Va., Miss Mason Worley of Sanford, Miss Fannie Gray Worley of Walstonburg, and Miss Ramona Worley of Flora McDonald college, Red Springs were week end guests of Mr. and Mrs. J. A. Worley. Mrs. W. H. Jones, Mrs. Wesley

Uncle Sam Says

This is getting ready time for my farmer nieces and nephews. Today's plowing and investment in money and labor may or may not pay off in rich crops. There's a big if in every farm family's life. If the sun shines, if it doesn't rain too much, if we have a drought—if, if, if. However, there's one crop which has no "if" side. It's a crop of Savings Bonds, which grows steadily, rain or shine, wind or calm, year after year until it produces \$4 for every \$1. My city nieces and nephews can plant this crop, too, by joining and staying on the payroll savings plan or by arrangement with their bank. U. S. Treasury Department

Jones and Mrs. Lillian Spence have returned from Asheville where they attended the State PTA Convention.

Messrs. Matthew Burke and Kenneth Maxwell have returned from Baltimore, Md. They were accompanied by Mrs. Burke who has been spending sometime there.

Mr. and Mrs. Graham Turner have moved into the home recently vacated by Dr. and Mrs. H. A. Edwards.

Mr. and Mrs. Roger Inman will occupy the apartment vacated by Mr. and Mrs. Turner in the home of Mrs. T. A. Turner.

Mesdames L. H. Turner, Joe Davis and Tom Davis were visitors in Mt. Olive and Goldsboro Saturday.

Mrs. Bessie Page attended a Stork Shower given for her daughter in Wallace Thursday afternoon.

Dr. D. W. Ruffin has purchased the home of the late Mrs. Emma Stroud, located behind the Ruffin Residence in Pink Hill.

Mr. and Mrs. Melvin Carter are visiting in Stanford, Conn.

Recent guests of Mr. and Mrs. S. M. Lee were Mr. and Mrs. Earl Raynor and Mr. and Mrs. Harvey Raynor of Newton Grove, Mrs. Bill Farmer and daughter of Kenly, Mr. and Mrs. Bob Houston and Mr. and Mrs. Marvin Houston of Warsaw.

Sherry, Mrs. J. D. Sandlin of Beulaville and Mrs. Aubrey Turner of Pink Hill were Kinston visitors on Friday afternoon.

Mrs. Aubrey Turner was a guest of her parents in Beulaville while her husband fished near Jacksonville on Sunday.

A slow acting nitrogen fertilizer that feeds crops over a long growing period has been developed by soil scientists of the U. S. Department of Agriculture.

Important Announcement

FROM YOUR TELEPHONE COMPANY

Although the strike of the Bell System Telephone employees is curtailing long distance service throughout the state and union, considerable long distance service is still available to telephone users in eastern North Carolina.

Long distance calls will be accepted for all points in the state of Virginia, to Washington, D. C., to Philadelphia, Pennsylvania, and to all points within the operating territory of the Carolina Telephone and Telegraph Company and to connecting independent telephone companies. Long distance calls will be accepted to the following cities and towns of North Carolina and to other towns in their vicinity.

- | | | |
|---------------|----------------|----------------|
| Fayetteville | Warsaw | Oxford |
| Raeford | Rich Square | Wake Forest |
| Dunn | Roanoke Rapids | Elizabeth City |
| Ahokee | Rocky Mount | Morehead City |
| Scotland Neck | Southern Pines | New Bern |
| Tarboro | Varina | Washington |
| Sanford | Greenville | Williamston |
| Angier | Farmville | Flymouth |
| Clinton | Jacksonville | Lenoir |
| Maxton | Kinston | Warrenton |
| Smithfield | Weldon | Pinehurst |
| Elizabethtown | Henderson | Edenton |

Long distance calls to Bell System points in North Carolina and most other states may not be completed unless they are emergency calls.

WILLIAMS REPAIRS AND SUPPLIES

LEHMAN WILLIAMS, Prop. IN PINK HILL

IS THERE SUCH A THING AS PERFECT WOMANHOOD?

"No"—claim medical authorities, who ought to know! Nature has so constructed and physically endowed woman that in many cases she's apt to suffer certain distressing symptoms during her life. For instance, when she enters womanhood—or during the menopause, the period when fertility ebbs away.

Now if on 'certain days' of the month—female functional monthly disturbances are causing you to suffer from pain, nervous distress and feel so tired, cranky, you snap at your children and husband—then do try Lydia E. Pinkham's Vegetable Compound to relieve such symptoms. It's famous for this purpose.

Made ESPECIALLY For Girls and Women
Pinkham's Compound does more than relieve such monthly pain. It also relieves accompanying nervous tension, irritability and weak, high-strung feelings—when due to this cause. Taken regularly thruout the month—this great medicine helps build up resistance against such distress. A thing any sensible woman should want to do!

Lydia Pinkham's Compound is also very effective to relieve hot flashes and those funny, embarrassing feelings during the years 38 to 52—when due to the functional 'middle-age' period peculiar to women.

Pinkham's Compound is worth trying!

From where I sit... Joe Marsh

Bert Solves the Labor Problem

You hear a lot about capital and labor nowadays, as if the two could never get together. But look at Bert Childers—who has 320 acres of producing land, a fair-sized herd of cattle, and two farm hands working for him.

If you called Bert a "capitalist" he wouldn't know what you meant, and neither would Spike and Sandy, the hired men. Bert works side by side with both of them; and in the evenings they sit around the fire together—sharing a friendly glass of beer or two.

If anybody has a head—whether it's about wages or hours or equipment—they talk it over at those friendly evening sessions.

I don't say all labor problems are as simple as Bert's. But from where I sit, the basic principle applies to any farm or factory or business: A principle of confidence and mutual respect, of daily talks together in a friendly and congenial atmosphere.

The Farmer's Forum from Uncle Natchel's Book of Experience

"There is a general feeling in my section that corn yields are too low. With high labor and everything, we must make more corn if we are to continue growing it at all. Last year, I had a high nitrate demonstration right through the middle of a big field of corn. One thing I noticed, to my surprise, was that billbugs hardly bothered that strip at all, while they did considerable damage to the rest of the field. So the higher yield, that I expected and got from the extra soda, was raised still higher on account of escaping the bug injury there."

Natural CHILEAN NITRATE of SODA
