Poets Corner

"Be With Me"

Be with me every hour, Love,
And tell me that you care;
And tell me that your dreams and
hopes, are always mine to share.
Be with me every day and night;
Of every month and year;
And let me listen to your words
Of Sentiment sincere.
Because I love you and my heart
Is yours to have and to hold;
Whatever bright or cloudy skies
The future may unfold.
I want to wander in the wind,
That whispers to the trees;
And fill your hands with silver
stars of happy memories.
I want to make each night and day
A paradise for you.
Be with me every hour, Love,
And say you love me too.
