Uncle Sam Says

Exactly how much have you saved in the last 12 months?

If you can't write a good big figure in the space above than you'd be smart to adopt a method of savings that millions of Americans have found to be absolutely sure fire. This method is the regular buying of United States Savings Bonds. People buy Savings Bonds now on two convenient plans. If you are on a payroll, through the Payroll Savings Plan. If you are a professional man or woman or self-employed, through the Bond-a-Month Plan at your bank. By signing up on either plan, twelve months from now you will be able to write a nice healthy sum in that space up above. U. S. Treasury Department

notice will be filed in bar of their recovery. All persons who are indebted to said estate will please make immediate payment to the undersigned Executor.

This the 30th day of August, 1947.

Cleon Smith, Executor of the Last Will and Testament of Mrs. Maud Baker. Pink Hill, N. C. Route 2. H. E. Phillips, Attorney Kenansville, N. C. 10-10-47. HEP
