workers protected by the law, av-erage weekly wage and total wages which went above a billion dollars in 1946 for the first time in the

Duplin County had 48 employers subject to the law in 1945 which increased to 62 in 1946.

This county, in 1945 had 977 workers protected by the law, a number which had increased in 1946 to 1,202 workers. Total wages paid to covered workers in 1945 employers covered by the Employ- was \$1,188.750 as compared with ment Security Law, numbers of \$1,642,173 in 1946.

BEER-The Beverage of Moderation

Let's Take A Look at the

Crewers Foundation

Question: What is the chief function of the North Carolina Committee of the Foundation?

Answer: To see to it that beer and ale are retailed under conditions in keeping with the strict demands of public opinion and the high standards of the brewing industry itself.

Question: How are the Committee's aims accomplished?

Answer: Field men visi: beer outlets regularly. If undesirable conditions are found, dealers are advised. Most dealers want to cooperate and welcome suggested improvements.

Question: Suppose these suggestions are not carried out?

Answer: The retailer is reported to the licensing authority having jurisdiction, with a request that his license be revoked or suspended.

If you drink beer, please patronize only reputable places.
