Best read the Bible study from Isaiah 66:18-23. The topic of discussion "The North American Indians" was presented by Mrs. Giddins and Mrs. Best after which the hostess served cake and lemonade.

UDC Meeting In Warsaw

The James Kenan Chapter, UDC, held their first meeting of the fall season Wednesday afternoon at 3:30 in the home of Mrs. C. A. Womack, in Warsaw, with Mesdames G. P. Pridgen, J. W. Quinn, R. C. Pridgen and Stacy Britt joint hostesses. Mrs. Henry L. Stevens, Jr., President, presided over the meeting, with 21 attending, including Mrs. Fred Baars, a prospective new member. Following the flag salutes Mrs. C. A. Womack, Chaplain, read the ritual and during the business period delegates and alternates were appointed to attend the State meeting to be held in Rocky Mount on Oct. 7, 8, and 9. For the program, Mrs. N. B. Boney, of Kenansville, presented a most interesting questionnaire on the "History of the James Kenan Chapter" with answers and comments being given by Mesdames G. P. Pridgen, Kathleen Snyder, Robert L. West, C. A. Womack and Stacy Britt. During the social hour the hostesses served sandwiches, rolled wafers and coffee.

Announce Birth

Mr. and Mrs. Robert Blackmore of Warsaw, announce the birth of a daughter, Ruby Marina, on Saturday, September 27, 1947, James Walker Memorial Hospital, Wilmington. Mrs. Blackmore is the former Miss Ruby Lee Maready of Chinquapin.

Engagement Announced

Mr. and Mrs. Robert Macon Herring, Sr., of Warsaw, announce the engagement of their daughter, Mary Elizabeth, to Anthony John Sansone, son of Mrs. Antoinette Sansone, and the late Mr. A. J. Sansone, of New Orleans, La. The wedding to take place on Sunday, November 2, 1947, in the Warsaw Baptist Church.

STATE COLLEGE HINTS TO HOMEMAKERS

It's good common sense to shrink woollens when making clothing articles of wool. A new wool dress that hasn't had the preshrink-process is very likely to come back from the cleaner's several sizes

and Rev. and Mrs. James Blackmore of Wilmington spent Wednesday in Charlotte with Miss Janie Blackmore.

Mrs. M. C. West had as week end guests her daughters, Mr. and Mrs. Jack Glisson and Jackie of Rockingham and Mr. and Mrs. Emmett Pollock of Augusta, Ga.

too small in the wrong places. Labels usually indicate whether or not the material has been preshrunk. If no label indication is on the goods, it's better to play safe and do your own shrinking, before making a garment.

Pressing the entire piece of wool cloth with a steam iron is a simple and satisfactory way of shrinking if care is used and press with the weave and not to stretch or pull the wool in the process. A wide ironing board makes this easier.

If you don't have a steam iron, it is necessary to dampen the wool thoroughly and then press it with a moderately warm iron under a press cloth. Rolling the wool in a damp sheet is a simple way to dampen it. Allow it to stand in the rolled sheet overnight and then press on the wrong side with a dry press cloth with no pulling or stretching.

 To starch a shirt, gather it up so, that you can dip all the parts to be starched - the cuffs, collar and front - in the starch at the same time.

Faison Sesame Club Meets

The Faison Sesame Club held its first fall meeting on September 18 in the Community Building. Mrs. W. I. Thompson, President, presided. She gave an interesting report of the meeting of the State Federation of Clubs, held at Wrightsville Beach in June. Mrs. Witherington presented to the club the framed copies of the two awards for the best collection of creative writing, one for 1946, in which the Sesame Club tied with the Rutherford Club for honors, the other for 1947, in which the Faison club was accorded top rank. In order to stimulate Bible study in the Faison school, the club voted to offer a prize to that grade in each department learning the greatest number of Bible verses.

Rev. J. M. Smith, the guest speaker, gave an interesting and instructive talk on "How Can I Know I Am A Christian?" At the conclusion of the program the hostesses served a delicious salad course.

Philathea Class

The Philathea Class of the Baptist Sunday School met Thursday night in the home of Mrs. Davis Hollingsworth with Mrs. H. C. McCullen as joint hostess and 21 present. Mrs. G. Van Stephens presided in the absence of Mrs. R. M. Herring, the President, and also led the devotional meditation. Following business the hostesses served dainty sandwiches with fruit punch.

Mrs. Sheffield Entertains Club

Mrs. Bill Sheffield was hostess to her bridge club and several additional guests Thursday afternoon at her home, which was decorated with arrangements of roses and colea. When scores were tallied Mrs. Ed Hines received a set of crystal ash trays for high score and the hostess served a sweet course of ice cream, cheese biscuits, cake and coca colas.

Mrs. West Entertains Club

On Thursday afternoon Mrs. Daulton West delightfully entertained her bridge club at her home in the Taylor Apartments. Fall flowers were used in the dining room, where two tables were in play. At the conclusion of play high score award, a bread basket went to Mrs. Sterling Marriner and Mrs. Emmett Roark captured the bingo award, a novelty watering pot. A tempting frozen fruit salad course with date nut squares, sandwiches and coffee were served.

Circle Meeting

The Good Samaritan Circle of the Baptist WMU met Monday afternoon in the home of Mrs. J. B. Herring with 9 present and Mrs. F. F. Giddins presiding. Mrs. G. S.

Now! LIFE INSURANCE EXPERTS PROVE THAT FORD TRUCKS LAST up to 19.6% LONGER

Now, for the first time, the methods used by life insurance companies in computing rates have been used to figure out life-expectancy tables for Ford Trucks.

4,967,000 Trucks Studied . . .
 Wolfe, Coccooran and Linder, leading New York life insurance actuaries, assembled the records of all trucks of the five sales leaders registered from 1933 through 1941 . . . 4,967,000 trucks in all. Then they prepared truck life-expectancy tables in the same way they prepare human life-expectancy tables for life insurance companies.

Ford Trucks On Top!
 The result? Ford Trucks Last Longer! Up to 19.6% longer than the other 4 sales leaders! Why? Because Ford Trucks are built stronger. They're built to last longer! See us today. You'll see why it'll pay you to place your order for a Ford!

Certified Proof

The life-expectancy of a Ford Truck is 19.6% longer than that of Truck "B" 8.5% longer than that of Truck "C" 7.2% longer than that of Truck "D" 19.6% longer than that of Truck "E"

OFFICIAL ACTUARIAL CERTIFICATE
 Based on the application of sound and accepted actuarial methods to the actual experience as measured by truck registrations, we hereby certify that, in our opinion, the accompanying table fairly presents the relative life-expectancy of the trucks involved.
