How women and girls may get wanted relief from functional periodic pain
 Cardui, many women say, has brought relief from the cramp-like aches and nervous strain of functional periodic distress. Taken like a tonic, it should stimulate appetite, aid digestion, thus help build resistance for the "time" to come. Started 3 days before "your time", it should help relieve pain due to purely functional periodic cause. TRY IT!

Permanent Pastures:
 J. B. Stroud of Kenansville is one of many farmers in Duplin who are now getting good grazing from permanent pastures. He seeded 2½ acres to White Dutch Clover, Orchard Grass, Red Top and Lespedeza in the spring of 1945. Before seeding the soil was limed and a good fertilizer applied. Mr. Stroud reported last week that his three head of work stock were unable to eat all of the feed this pasture produced since early last spring. He put 10 head of cattle on the pasture for a few weeks last summer to utilize the good grazing. He also reports that his work stock had received practically no hay of any kind during the spring and summer months. More farmers can help solve their hay problems by establishing such pastures.

Hog Feeding Suggestions:
 The following suggestions if followed, will enable hog producers to help save grain and produce more economical gains on hogs:

1. Make maximum use of pasture for growing pigs and breeding animals.
2. Feed ample protein. 1lb of protein such as fish meal and tank age, or cotton seed meal mixed half and half with fish meal and tankage will save 5-6 pounds of grain.
3. Ample water and freedom from parasites and disease will increase efficiency of gains.
4. Market your pigs when 200-225 pounds.
5. Make fast gains by liberal feeding with self feeders containing protein concentrates in one compartment, grain in another, and a balanced mineral mixture in another compartment.

Sweet Potatoes:
 Sweet potatoes which have not yet been harvested should be dug at once. If frost injures the vines, the potatoes will be affected and storage will be difficult.

VFW Seeking New Members

Goldsboro, Oct. 28 — North Carolina VFW Department Commander E. C. Sneed of Wilmington outlined plans for 1948 and set the goal at a membership of 50,000 as compared to the present 20,000 at a meeting with representatives of the 8 posts of the third district. The group passed a resolution to be presented to the encampment department calling for the continuance of the \$1500 personal income tax exemption for military service personnel. Com. Sneed was asked to try to

get Camp Lejeune hospital back on the Veterans Administration list for periodic examination of disabled veterans in the South-Havelock and Goldsboro area.

An invitation of the New Bern post to hold next quarterly meeting there was accepted.

The People Want Peace

They have shown fortitude and a capacity for sacrifice in time of war — but the people want a life free of uniforms and drums and destruction. If every American will fight as steadfastly for peace as he can for war, there will be no more of our sons' blood shed in battle.
