Power of Holy Spirit Lesson for February 15, 1948

TWO decades ago, the famous preacher, Rev. Reginald J. Campbell, declared, "The 18th Century may be characterized as the Century of God the Father; the 19th Century as the Century of God the Son; and we are praying that the 20th Century may be experienced as the Century of the Holy Spirit." That was a brave and hopeful prayer. May we claim the same hope.

Dr. Newton have I spoken unto you, being yet present with you. But the Comforter, which is the Holy Spirit, whom the Father will send in my name, he shall teach you all things, and bring all things to your remembrance, whatsoever I have said unto you." John 14:25, 26. Go on to read Acts 2:1-4; 3:1 to 4:31; Galatians 5:22-26 and you will have the Scripture passages for Sunday's lesson, with Ephesians 6:10-20 as the devotional reading.

PETER ACTS BRAVELY IN THE passage in Acts we have the picture of Peter and John about to enter the temple on the Sabbath, when suddenly they find themselves confronted by a sick beggar. What could they do with him and for him? He was asking for money.

Peter said, "Silver and gold have I none, but such as I have give I thee, in the Name of Jesus Christ of Nazareth rise up and walk!"

WHY PETER WAS BRAVE PETER is often pictured as a very quick-tempered person. He was usually the first to speak in every situation. He was the leader of the group—a natural leader of men. But Peter did not assume to meet the poor man's need in his strength. Only "in the Name of Jesus."

When we forget self and rely upon the Holy Spirit for direction, we are enabled to meet and master any situation. Juniors will do well to remember these words, "Not by might, nor by power, but by my Spirit, saith the Lord of hosts," Zechariah 4:6.

SECRET OF CHRISTIAN POWER YOU shall receive power when the Holy Spirit has come upon you." Acts 1:8. That is the secret of the Christian's power. It does not originate elsewhere. It is God's gift to those who implicitly trust in him.

This great truth is particularly appealing to intermediates and seniors. Young people are keenly sensitive to the times in which they live. We live today in an hour of unprecedented power—atomic energy! But all of the marvels of modern science have not been able to give young people the sense of mastery. Rather, we are afraid. The scientists themselves tell us that this is history's most precarious age.

WHY, then, should we ever be weak, when we may always possess that power? This is the most searching question for any Christian. The answer will lead us to certain inevitable admissions. We become weak spiritually when we forget to pray, when we forget to read God's word, when we allow the interests of this world to blind our eyes and deafen our ears to the reality of God's presence.

Our lives are spiritually strong and healthy when the Holy Spirit governs. Our work is effective, our words are compelling. We speak not our wisdom, but the wisdom of God. We go not in our strength, but in his strength.

ASKS CONGRESS FOR DOG STAMP

Legislation in Honor of "Man's Best Friend" Sought by Dog-Lovers

The United States may soon issue a postage stamp honoring "Man's Best Friend," if the efforts being put forth by dog-lovers throughout the country prove fruitful.

Spearheading the movement is Harry Miller, director of the Gaines Dog Research Center, New York, who has appealed to Congressman John Phillips of California, himself a long-time champion of the dog, to introduce the necessary legislation providing for the issuance of such a stamp.

In a letter to Congressman Phillips, Mr. Miller points out that the United States at the present time has more dogs than any country is ever known to have owned before—one in every three American families owns one or more dogs—and that certainly the dog's contributions of heroism, loyalty and intelligence are worthy of honoring in this manner.

He further states that to date 13 countries have issued postage stamps which either show dogs as the principal point of their designs, or have included dogs as an incidental to the composition. The only U. S. stamp which shows the likeness of a dog is one of 30-cent value issued in connection with the Columbian Exposition of 1893. This stamp shows Columbus with a globe demonstrating to a group of listeners his theories of geography and navigation, while a Mastiff type, is shown lying on the floor in the foreground. Mr. Miller feels very strongly that with the country's dog population at the 20,000,000 mark, "Man's Best Friend" is now deserving of a postage stamp of his own and merits more than the incidental

recognition given him on a stamp issued 55 years ago. There are several well-known breeds of truly American dogs, which would be eligible to represent the dog family on United States postage. Mr. Miller wrote, "The Chesapeake Bay Retriever, the American Cocker Spaniel, the American Water Spaniel, the Alaskan Malamute, the Boston Terrier and the Black and Tan Coonhound are all pure-breeds of undeniably American origin which have been brought to their present perfection by American breeders and dog-owners. If dogs besides native American ones were to be featured on stamps, the breeds which served so gallantly in the K-9 Corps during World War II are entitled to the glory."
