State College Hints To Home Makers

It is always a shock to look at

Uncle Sam Says

Regardless of whether you approve the new look in fashion, every one of my nieces and nephews certainly is in the style with the new look in security. How do you acquire this kind of look? There are two great automatic plans, both sure and convenient: 1. If you work for wages or salary—join the Payroll Savings Plan for buying United States Savings Bonds regularly. This is the only installment bond-buying plan. 2. If you're in business, or a profession, or living on an income—sign up at your bank for the Bond-A-Month Plan.

the calendar and realize that some friend's birthday or anniversary has just passed and you have neglected to send a gift or a card.

Here then is the solution: Before tacking up a new calendar at the first of each year, (or do it now) go through and encircle in red the dates for all the special birthdays and anniversaries. Then as the days and weeks and months pass, the red circles will serve as reminders and no friends will have been forgotten.

The bottom of the scouring powder can will not leave rust marks if it is dipped in hot paraffin.

A yearly weeding out of worn-out kitchen utensils, and other odds and ends, will get rid of dust collectors, save extra work and valuable storage space.

Feather pillows should be aired on a cloudy, windy day rather than allowed to hang in the sun. The sun draws the natural oil out of the feathers and destroys their resiliency.
