## County Gives Leader 63 Per Cent High | Military Funeral For First Sergeant

Duplin Democrats and 17 Republicans turned out at the polls in Duplin to name their choice for County and State officers. Voting was heavier than anticipated by many in Duplin. It was the second highest Democratic vote cast in a Primary here. The Hoey Guber-natorial vote was the highest. Broughton, candidate for U. S. Senate against encumbent Senator Wm. B. Umstead lead the ticket in the vote for the long and short term. Mr. Broughton received 3,283 votes to Umstead's 1617 for the short term and 3384 to 1514 for the long term. Mr. Broughton defeated Umstead throughout the State by about 15.000 votes. Final state tabulations will be

counted and certified next week. The county wide race showing most interest in Duplin was that for Governor Chas. W. Johnson who took a decided majority in Duplin over the other candidates by polling 63% of the total vote cast. He led his nearest opponent, W. Kerr Scott by better than two to one, carrying all precincts except Albertson, Glisson, Wolfescrape and Falson. Throughout the State reports showed Johnson leading Scott by about 10,000 votes. Duplin gave Johnson a larger percentage over his opponents than any other candidate in the State highway district except Pender, Johnson's home county. The vote stood at: on, 3715; Scott, 1651, Albright, 470; Barker, 30; Boyd, 8;

Stanley 8.
Scott has called for a second primary which will be run off on Saturday, June 25th. The Johnson and Scott supporters have already gone to work and those supposed to be in the know say Johnson will come out with an even greater lead in Duplin in the second go-

A hot home county race was put on in the 3rd commissioner district comprising Limestone and Cypress Creek when Arthur K nnedy, merchant and farmer of Beulaville walked away with incumbent Tyson Kennedy received 1174 votes; Lanier, 611; James, 174; and Williams, 130. Mr. Kennedy asked the Times to express his appreciation to the voters for the corfidence and trust

In the fifth commissioner district comprising Kenansville, Magnolia anl Rose Hill townships, encumbent Arthur Whitfield of Kenansville was defeated by Dallas Jones by 99 votes. Whitfield receiving 580 and Jones 679 votes.

Voting was heavier than usual in most precincts, however, a few voted very light.

17 Republicans voted in the Primary, casting 9 votes for Wett H. Gragg and 8 for G. L. Willa d in the race for the Republican nomination for Commissioner of Agriculture.

The day was quiet and everything ran smooth at all voting places. No disturbances were reported any-

#### **Rear Engine Tractor On Display** In Ptnk Hill

A new type of farm tractor that may prove to be the final threat to horses on the farm is now on display at T .A. Turner & Co., Allis Chalmers dealer in Pink Hill. L. C. Turner predicts it will replace that last team of horses on many farms by serving as a chore tractor, and that it will fill complete power needs on many other

The new model differs from previous tractor design in that it has a rear-mounted engine with implements attached in front within unobstructed view of the operator. Moving the engine to the rear keeps the front of the tractor clear for mounted implements, any of which can be attached or de- reports 77 garments shipped for tached in five minutes. Even the overseas relief during the past year plow is front-mounted.

Mr. Turner points out that many farms keep one last team of horses lilar to above and 10 additional for a few seasonal jobs, such as capes with hoods; Nov. 8, 1947 corn planting or hauling. Mr. J. E. Sloan, Chairman of the Duplin Agricultural Conservation Committee, announced that there will be no provision during the 1948-49 marketing year for the prepayment of penalty on the marketing of excess tobacco on the basis of the estimated production on the

During prier marketing years, producers of excess tobacco were given the option of having the penalty deducted by the warehousemen at the time the tobacco was marketed, or, of prepaying the perfalty in advance on an estimated basis and making final settlement after all marketings were completed. This procedure necessitated the co lection of additional penalty or making a refund in every case and made it difficult to determine eligibility for participation in the price support program. During the coming season penalty will be deducted by the warchousemen or dealers in case of non-warehouse sale, upon the marketing of each lot of tobacco from any farm on which the acreage harvested exceeds the allotment established.
