YOU'VE often heard the age-old expression, "As the twig is bent, the tree's inclined." No more truthful sentence was ever uttered. It is a proven fact that an individual's character and outlook on life as a whole is formed during the early years of life.

NO WELL thinking parents will intentionally let their children be led astray by the evil forces at work in the world today. We urge you, the parents of these youngsters, not to neglect their spiritual lives. Attend Sunday School and Church this Sunday and every Sunday and take them along with you.
