

Farmers Report Plant Lice In Tobacco Fields; Effects Little Known

By LACY WEEKS. A large number of growers have reported that they have found aphids (Plant Lice) on their tobacco during the past few days. These insects were found in large numbers on tobacco in North Carolina last year for the first time. Therefore, there has been very little experimental work done in this state toward controlling this insect on the tobacco crop.

There are several materials that will kill this aphid, provided the aphid is hit with the material at time of application. One of these materials, tetraethyl pyrophosphate is put up by a number of concerns under several trade names. California Spray Chemical Company's Vapaton XX is 20% tetraethyl pyrophosphate and 30% other phosphates. This is available in the eastern part of the state through Naco Fertilizer Company, Wilmington; J. P. Wyatt and Sons, Raleigh; and Maxwell Insecticide Company, Raleigh. This material can be applied as either a dust or spray. It should be used immediately after making up. This material is very toxic to most all forms of animal life, therefore, the precautions on the label should be followed carefully.

Isotox is another insecticide which will kill the aphids. This is the pure Gamma Isomer of Benzene Hexachlorid. This is a wettable powder and can be applied either as a dust or spray. The manufacturer recommends that when used as a spray that it be used at the rate of one pound to each 50 gallons of water. This material can be obtained from the same sources mentioned above.

Since little is known of the possible detrimental effects which might occur to either plant or animal life, we do not recommend using these materials on a large scale.

It is thought that tobacco growers will be interested in trying them out this year to determine their effectiveness toward the control of aphids on tobacco, and at the same time study the results of these insecticides on the tobacco crop.

One of the best friends that farmers have toward the control of plant lice is the little yellow lady bug. The lady bug and her young larvae offspring feed upon plant lice. A large number of lady bugs in a field can destroy an enormous amount of plant lice. The lady bugs do not cause the plant lice to appear on the crop as some people believe.

SAT. June 26

DOUBLE FEATURE Phantom Valley With Charles Starrett.

Bury Me Dead With Mark Daniels.

Following the recent period of cool, wet weather tobacco blue mold appeared in several fields in the county. Severe damage occurred on leaves large enough to prime. A period of hot relatively dry weather should check the spread of this disease.

Senior Is Honored

Howard Bazemore, a 1948 graduate of B. F. Grady School and a son of Mrs. Gladys Bazemore of Mt. Olive, Rt. 2, has recently received notice that he has been accepted as a candidate for the Naval Reserve Officers Training Corps. He will enter the University of South Carolina at Columbia in September, where he will study engineering along with his Reserve Officer Training.

Howard was president of his class, won a medal for being the best all-round boy, the mathematics medal and also tied for valedictorian of the class.

In addition to these honors, young Bazemore scored in the upper ten per cent class on tests given to all high school seniors over the State. Houston Maddox, another 1948 graduate at Grady, also won out in the upper ten per cent. Both have received invitations to enter the University of North Carolina and make application for one of their \$2,900 scholarships.

Wallace Robber Returned Here

Duplin and city officers of Wallace went to Ft. Mills, S. C. this week and returned George Gregory Negro, to the county and lodged him in jail. He is charged with participating in a \$3,000 robbery at Z. J. Carter & Sons store in Wallace some time ago. Gregory was implicated by Herbert White who is now in jail charged with taking part in the robbery.

Escaped Convict Nabbed In Warsaw

Walter Reed, colored, escaped convict, is back in Wayne County to serve a term of 90 days which was put on him there last December. Reed was assigned to work around the county jail and made a trusty from the start. He hardly had started the first day of his sentence when he escaped.

Duplin County officers got wind that he might be in Warsaw. Patrolman McColman, deputy Perry Smith and Warsaw officer Clarence Pope drew a net around him and he was captured in a house there one night this week.

Requests From Camp LeJeune

Requests to Community Services to Camps and Hospitals for this hospital for the 3 months of May, June, and July, 1948:

Any person or organization wishing to donate any of the above articles are requested to send them to Mrs. N. B. Boney, Executive Secretary, ARC, Duplin County Chapter, Kenansville, N. C., who will see that the same is delivered in due time to the Naval Hospital.

4-H Camp News

At last we have some news about 4-H Camps. This year there will be two camps. The first one will be at Camp Milestone, near Rockingham, from Friday, July 2, through Tuesday, July 6. The cost including Camp Fee, Transportation, and other miscellaneous items will be \$9.00. All members going will carry groceries.

Since four counties will be represented at Milestone through the above dates, only 30 members will be allowed to attend from Duplin. These will be determined by the first 30 record books received with their deposits.

The second camp will be held at Manteo from August 9, through August 14. There will be no limit to the number attending. No food will be carried. Cost estimated at \$20.00. Those desiring to see "The Lost Colony Pageant" will be able to get tickets for approximately .75.

The program at both camps will include recreation, swimming, hand ircraft, marksmanship, etc.

If you wish to attend, obtain an application blank, fill it in and send it with your record book and a \$5.00 deposit on Camp Fee. All applications must be in by June 25.

Doris Whaley, 15 Dies Scotts Store

Doris Ann Whaley, 15, died early Tuesday morning at the home of her parents, Mr. and Mrs. Paul Whaley in the Scott's Store section. She had been ill for some time. Funeral services were held at the home at 3 p.m. Thursday. Rev. Lloyd Vernon, Free Will Baptist minister was in charge and burial followed in the family cemetery. Surviving are her parents; a brother, Jacob Everett Whaley; three sisters, Athalee, Edna Rae and Scarlet Marie; her maternal grandparents, Mr. and Mrs. Gillet Taylor; and her paternal grandmother, Mrs. Sannie Whaley, all of the home section.

New Tea Room Opens Kenansville

Thursday marked the opening of Kenansville's second eating place. It has been only a very few years back when there was no cafe of any type in town.

Mesdames Walter Stroud and Clarence Murphy, both whose given names are Thelma, are now operating the Friendly Tea Room in the Gooding building in rooms formerly occupied by Dr. Gooding. The Tea Room has one main dining room, one private dining room, kitchen and serving quarters. It will be open every day in the week and the Thelmas promise the best in home cooking. They say they are

working the dickens out of their husbands to grow large gardens and are going to feed their customers from those gardens.

Surplus Potatoes Free To Farmers For Feed Stuff

County Agent L. F. Weeks announced today that orders are now being accepted in his office here for surplus Irish potatoes that are being offered livestock growers in this area. The potatoes, packed in 100lb bags, will be shipped into the area as fast as carload lot orders are taken. The spuds are being supplied by the Federal Government, freight prepaid. The only strings tied to the offer is that the farmer

must sign a statement that the potatoes will be used for feed purposes and will not be sold or used for human consumption. A glutted market has caused this situation and it was decided to give the farmers a chance to use them to some advantage rather than pour oil on them and burn them as has been done in the past.

Mr. Weeks stated that 4 1/2 pounds of potatoes are equal to one pound of corn. When feeding them to hogs they should be steamed or cooked. For dairy or beef cattle they should be chopped or sliced.

Farmers are asked to act as fast as the spuds will not be available long.

Waller Clan To Gather At Seven Springs

The annual reunion of the Waller family of Duplin County will be held June 27th at Seven Springs. All descendants of the Waller and Williams families are invited to attend, and are asked to carry picnic lunches.

Tomatoes - Potatoes A Natural Mixture

Last week Mrs. Charles Carroll of Warsaw pulled up a large stalk of Irish potatoes in her garden. Or one branch was a cluster of 10 well developed tomatoes. On the roots of the plant was a number of well developed potatoes. Mrs. Carroll says about ten potato stalks in her garden are bearing tomatoes.

In Death Struggle Hawk Devours Snake

Attention, John Ivey Smith. This was earmarked for you. Ed Grady of Alberston township reports the following story and dares John Ivey to go it better:

Recently Ed was out walking around near his home when he spotted a sage hawk being attracted to a pond of water by something; a fish he presumed. Ed realized himself against a tree to see what was going to happen. The hawk made several dives before it succeeded in catching his prey. When it came up a large chicken snake was twisted in its claws. After a brief struggle the snake and hawk went back down and the snake succeeded in devouring the hawk.

Bible School At Beulaville

On Monday morning at 9 A.M. a two weeks session of Bible School will begin for all children 4-15 years of age who wish to attend. Miss Marion Fisher of Ivanhoe, N. C. will be the director of this school, assisted by teachers of the local Presbyterian Church. An interesting program of Bible study, hand work and music is being planned.

Rain And Wind Damage Crops Near Here Lightning Strikes; 4 Inches Rain Fell

Wind and rain struck again in the Goshen section near Kenansville Monday night. No hail was observed but crops suffered some damage. Between dusk at 10 o'clock the storm struck three times, accompanied with heavy thunder and lightning. Eugene Outlaw reported

lightning struck a chimney to his house, tearing off several layers of brick at the top and doing some damage to his bathroom. Joe Wells reports he measured the rainfall and for one hour four inches of rain fell.

Extradition Sought For Warsaw Man For Desertion Of Family; Now In Fla.

Deputy Sheriff Perry Smith expects to leave for Miami, Fla. in a few days to bring back to Duplin County Bryant William Byrd, white man, who deserted his wife and six children last October. On re-

cent information as to his whereabouts local officers secured his arrest in Florida where he is being held pending completion of extradition papers.

Freak Oil Flow Noted In Warsaw

Is Warsaw headed for a natural kerosene boom? For some little time now observers have noticed a sidewalk flagpole hole in front of Tide Water Power Company office in Warsaw fill up with kerosene. Curious observers would dip out the oil and in a few minutes it would fill up again. It does not occur every day but every so often the oil will be observed and will continue to run for quite some time before drying up.

tant things in the present-day world is impressing on people the necessity for making democracy work."

Lytton E. Maxwell was quoted as saying in a feature story published in the Winston-Salem Twin City

Sentinel on Monday. Maxwell was interviewed after his name was announced as one of the winners in

Drew Pearson's national competitive effort to make America more

conscious of its democratic responsibilities.

Maxwell, a 33 year old navy veteran was one of the winners from the list of 125,000 entries.

Give The East Its Governor

The 50-Year tradition of the Democratic Party of North Carolina should NOT be adjusted for the political ambitions of any man.

Kerr Scott lives in the West and he cannot rightfully claim to be an Eastern candidate. Alamance County has always been considered a part of the political west.

Thomas M. Holt was elected lieutenant-governor from Alamance County as a Westerner. The last three lieutenant-governors from the West have come from counties farther East than Scott's Alamance - Elmer Long of Durham, Sandy Graham of Orange and Bog Harris of Person.

In 1944, Mr. Scott, now seeking the governorship as a candidate for the East, sought support to run for the U. S. Senate against Bob Reynolds of Buncombe, as a candidate from the West.

With Mr. Scott it is apparent East is West and West is East as the political whim of the moment dictates.

Don't break this 50-year tradition! Vote for Charles M. Johnson, high man in the first primary, and the only candidate from the East in the race for Governor.
