Boys and Girls, White and Negro

Near Goldsboro, in Wayne county, are three camps which this summer will be enjoyed by boys and girls from half-a-dozen counties. Goldsboro News-Argus reports about all three.

Camp Tuscarora is for white Boy Scouts. Camp Trailee belongs to the white Girl Scouts.

Camp Carver, for Negro Scouts, is also used for picnics of Negro community groups.

The Hope For The Messiah
 Lesson for June 20, 1948

THE hope for the Messiah first revealed to Adam in Genesis 3:15, and repeated to Abraham, Moses, David and Isaiah, was now proclaimed through Ezekiel, Daniel and Zechariah.

Here we have the hope of preservation, the hope of peace, the hope of security, the hope of usefulness, the hope of deliverance, the hope of dominion, the hope of service, the hope of sovereignty, the hope of redemption and the hope of purification.

A PROMISE FROM GOD

THIS is no fancied scheme of man. It is God's clear promise. "Therefore will I save my flock, and I will set up one Shepherd over them, and he shall feed them . . . and I the Lord have spoken it."

God goes on to promise them peace by ridding them of danger, and security through his blessing upon the land. "There shall be showers of blessing."

LOOKING FOR A BETTER WAY

LONG had the people looked for a better way. Now God would provide that better way. It would be vouched safe unto them through the Good Shepherd. He knows the way, he holds the key.

The wistful hearts of the people must have been lifted up as Ezekiel and Zechariah shouted their prophecies of the coming Messiah. Many of these very passages have been used for the anthems which our choirs sing today. Well may every Christian employ them to tell of that better way in the midst of this troubled, changing world about us.

DANIEL'S DREAM OF THE DELIVERER

THE passage in Daniel is replete with hope. "I saw in the night visions, and, behold, one like the Son of man came with the clouds of heaven." This dream of Daniel was a vision of the Messiah, bringing dominion, glory and a kingdom—a kingdom for all people, nations and languages. It is the universal hopes of the ages, brought nearer through this inspired vision of the prophet. "For unto us a child is born, and unto us a son is given; and the government shall be upon his shoulder; and his name shall be called Wonderful, Counsellor, Mighty God, Everlasting Father, Prince of Peace."

This vision of the coming Messiah set every bell ringing in the heart of humanity.

SAVIOR AND KING FOREVER

ALL THE promises are embodied in these passages—Jesus the Saviour, Jesus the King, Jesus the Sanctifier. Here was hope for the Jews, and for all mankind. It was proclaimed through Jewish prophets, and Jesus was born of a Jewish mother. Favored, indeed, was that race. And although there be many who have rejected the Messiah, he fulfills the deepest meaning of every man's hope.

With Charles Wesley we sing:
 Hail, thou long-expected Jesus,
 Born to set thy people free;
 From our sins and fears release us,
 Let us find our rest in thee.

Born thy people to deliver,
 Born a child, and yet a King,
 Born to reign in us forever,
 Now thy gracious kingdom bring.

Christian Generosity

On occasions a collection is taken in a tavern designed to relieve some man's distress. For any such generosity let us be thankful. But let us also remember that the sort of thing is done only occasionally in a liquor joint and it is the regular habit in a church.—Roy L. Smith.

No Grim Struggle

To become a musician you don't grit your teeth for a grim struggle. The basic fact for successful living is that life is eager to serve you. Approach it, then, in faith. "Fear not, little flock, it is your Father's good pleasure to give you the kingdom!"—Virgil Kraft.

Now graduate...

For protection "to the Nth degree," OIL-PLATE your engine with Conoco Nth Motor Oil! Drain out old, worn-out oil . . . and refill with new, fresh Conoco Nth.

Nth Oil (Patented) contains an added ingredient that fastens an extra-film of lubricant so closely to metal that working parts are OIL-PLATED! And because extra OIL-PLATING clings to cylinder walls . . . won't all drain down, even overnight . . . you get extra protection from "dry-friction" starts . . . from metal-eating combustion acids . . . from power-clogging sludge and carbon due to wear!

For full-time protection and more miles per quart, smart motorists will now graduate . . .

...to an OIL-PLATE!
