

Mr. and Mrs. Louis Outlaw Parker Photo by Kraft Studio

PARKER-MARTIN

The wedding of Miss Ruth Price Martin and Louis Outlaw Parker was solemnized in the First Baptist church in Mount Olive on Wednesday evening, June 23, at 8 o'clock. The bride's pastor, the Rev. John W. Lambert, officiated in the double ring ceremony.

The background for the pulpit was formed of pine which provided an effective foil for floor baskets of white gladioli, asters, and feverfew and standards of lighted candles. The choir rail was festooned with lace fern studded with single gladioli blossoms and tiny sprays of feverfew. In each window was a group of candles entwined at the base with lace fern.

Mrs. John Gilbert, at the organ gave a program of wedding music which included "To A Wild Rose", "Fugue," by Bach, "To An Evening Star," and "Indian Love Call." Accompanied by Mrs. Lambert, Paul Patten sang "Because" and Mrs. Everett Joyner sang "Through The eYars." Mrs. Lambert played "Claire de Lune" during the ceremony and at the conclusion Mrs. Joyner sang as a benediction, "O Perfect Love." The traditional marches were used.

The bride's sisters, Miss Margaret Martin and Mrs. Rae Scarborough, attended her as maid of honor and matron of honor respectively. Miss Martin wore a gown of orchid silk marquisette and carried an arm bouquet of pink gladioli; Mrs. Scar-

borough wore pink marquisette and carried orchid gladioli. Both gowns were fashioned with fitted bodices having deep yokes outlined by ruffles, full skirts bordered with wide ruffles which extended up the back and formed a bustle effect, and short sleeves. Both wore hair ornaments of gladioli matching their bouquets.

Bridesmaids were Mrs. E. J. Bundy of Mt. Olive, Mrs. Percy Wall of Chapel Hill, Miss Imogene Sutton of Kinston, and Miss Peggy Witherington of Mt. Olive and Raleigh. Mrs. Bundy and Miss Sutton wore pink marquisette and carried orchid gladioli, while Miss Witherington and Mrs. Wall wore orchid marquisette and carried pink flowers. Their gowns were identical in style to those of the maid and matron of honor.

Little Miss Betsy Sutton, daughter of Mr. and Mrs. Charles Sutton, was flower girl. She wore a long dress of orchid marquisette with ruffled skirt attached to a deep yoke outlined with a frill of the dress material, and carried a basket of mixed flower petals. Similar in style were the pink marquisette dresses of the ribbon girls, little Misses Dannie Sue Outlaw and Annie Laurie Martin. All wore threaded gladioli headdresses.

Ringbearers, wearing full evening attire, were Bobbie Martin, son of Mr. and Mrs. Robert Martin, and Walter T. Cherry, Jr.

Ushers were D. H. Outlaw and June Martin, Jr., of Mt. Olive, Sylvester Tew of Seven Springs, and Richard Bright Parker of Morehead City.

Honorary bridesmaids were Misses Hilda and Meredith Liles of Goldsboro, Pat Rhue, of Roanoke Rapids, Belle Rogers, of Rollinsville, Evelyn Straghan, Raleigh, Betty Jean Yeager, Hickory, Nancy Gates, Kinston, Angeline Shields, Scotland Neck, Stella Lassiter, Potocasi, Mrs. Wilson Lewis and Miss Katherine Lewis of Mt. Olive.

James Parker of Seven Springs served his brother as best man.

The bride was given in marriage by her father, W. Preston Martin. Her wedding gown was an exquisitely simple model of ivory satin fashioned with fitted bodice, sweetheart neckline, long pointed sleeves closed with tiny satin covered buttons, and flared skirt ending in a long court train. Her full-length veil of illusion was suspended from a coronet of orange blossoms and her bouquet was of tuberoses, bride's roses and stephanotis centered with a purple-throated orchid.

After a reception given by the bride's parents, the couple left by automobile for Niagara Falls and other northern points. The bride wore for traveling a suit of powder blue virgin wool styled with ballerina skirt and bolero jacket, and navy accessories. Pinned to her jacket was the orchid from her wedding bouquet.

Mrs. Parker is the daughter of Mr. and Mrs. W. Preston Martin of Mt. Olive. She is a graduate of Mt. Olive High School and Meredith College, Raleigh. During the past year she was a member of the Hayes-Barton School in Raleigh. Mr. Parker is the son of Mr. and Mrs. James Henry Parker of Seven Springs. He is a graduate of B. F. Grady High School and attended Atlantic Christian College in Wilson. He is an employee of the Bank of Mt. Olive.

After July 5 the couple will be at home in Mt. Olive.

Reception
After the wedding the bride's parents entertained at a reception in the municipal gymnasium. Receiving with them were Mr. and Mrs. Louis Outlaw Parker; the groom's parents, Mr. and Mrs. James Henry Parker; and members of the bridal party.

Mrs. Martin wore for the wedding and reception a black lace gown and a shoulder corsage of red roses. The groom's mother wore blue crepe and red roses.

Mr. and Mrs. E. C. Casey greeted guests at the door and Mrs. J. W. Wilkins presented them to the hosts. Mr. and Mrs. Walter Cherry gave the invitation to the improvised dining room where Mr. and

Mrs. Granger Martin and Mrs. D. H. Outlaw presided at the refreshment table and Mrs. A. N. Martin, Jr., was hostess.

The table was covered with a white Maderia cloth and centered with a silver bowl of white gladioli, roses and snapdragons flanked by white candles in silver holders. Serving bridal ices, individual wedding cakes, nuts and flower mints were the honorary bridesmaids assisted by Mrs. Charles Sutton, Miss Frances Temple and Miss Alleen Casey. The junior members of the wedding party dispensed bridal napkins embossed with the names of the bride and groom.

Mr. and Mrs. C. W. Oliver, Jr. and Mr. and Mrs. Robert Martin gave the invitation to the bride's book and directed the registration, and Mr. and Mrs. Roland Hodges gave the invitation to the punch table.

A color scheme of pink and orchid was followed in decorations and appointments of the punch table where the centerpiece was of gladioli and snapdragons. Mr. and Paul Garrison and Mrs. Luby Bell received in the punch alcove and Mr. and Mrs. J. C. Stabler, Mrs. Paul Patten and Everett Joyner served, assisted by Misses Edna Earle Wolfe, Marie Byrd, Doris Casey, Mary Dixon Cox, Virginia Wall Jones and Lillian Kornegay.

Mr. and Mrs. John Patterson showed the way to the exit and Mr. and Mrs. Shelton Taylor said the goodbyes.

Miss Virginia Brinson was at the piano throughout the reception.

Tobacco Menace Under Control

A widespread menace to tobacco crops has been brought under control by development of a new insecticide. The pest, identified as the Green Peach Aphid, first attacked tobacco plants in Florida in 1945. Two years later it was spotted as far north as Canada, and damage to crops assumed major proportions.

The newly developed insecticide sold under the trade name of Mulsifos is the only known effective insecticide that will rid plants of this aphid which many experts consider a new strain since it seems to thrive on the deadly nicotine

"From A to Izzard"

A boy was listing something for each letter of the alphabet—A automobile, B blanket, C chicken, etc. Each had to be something sold in Goldsboro.

But when he reached Z, he could only think of zebra. So he spelled "scissors" as "zizzors"—and missed out on a prize.

If only he read Goldsboro News-Argus regularly, he could have found something for each letter of the alphabet sold in Goldsboro.

LANDINGS... THEN AND LATER

The Navy's role in the assaults of American forces on the shores and beaches of enemy territory has been indispensable throughout its history, although the invasion methods have changed radically with each conflict. Above photo of an old print depicts the landing of American forces under General Scott at Vera Cruz in 1847— amphibious operation, Mexican War style. Below is a scene from World War II, taken nearly a century later, as Marines stormed the black beach of Iwo Jima beneath scowling Mt. Suribachi in the landing craft of a scientific age. (Official Navy Photography)

sulphate. This aphid is easily controlled on all plants, except tobacco, by nicotine sulphate. This solution has completely failed to control the pest on tobacco. Not only has it refused to be killed by this solution, but also continues to multiply during hot, dry weather when other aphids almost disappear.

Give Books To PJC

Maxton, N. C.—A gift of books for the library of Presbyterian Junior College has been received from Mrs. Andrew J. Howell of Wilmington. The books were from the library of her late husband, Rev. A. J. Howell, one of the founders of the college.

Southern Farm Market Summary

Reduced hog marketings this last week brought sharp price rises with advances from \$1 to \$1.25 and as much as \$2 in spots.

On the other hand, reduced cattle marketings brought mostly declines. The rank and file of grass-fed and half-fat cattle sold \$1 to \$1.50 lower. Exceptions were steady to 50 cents higher.

The week's top price of \$35 went to a single choice grade heifer sold at Montgomery. Hog prices continued in upward

spot markets was comparatively slow. At Friday's close, a decline of 40 points for the day brought the price average for Middling 15-16 inch cotton in the 10 spot markets to 36.25 cents a pound.

Broiler producing areas were weak with prices declining to as much as 2½ cents a pound. Cotton prices also continued to move lower and trading in the

We ask you to see this great Ford tractor

Seeing is believing. That's why we want you to see why the Ford Tractor is making so many new friends daily. How about our bringing a tractor out to your farm for a free demonstration?

We know you'll like the Triple-Quick Attaching of implements... the quiet 4-speed transmission... Ford Hydraulic Touch Control of implements... and many other advantages. Dearborn Implements (made for the Ford Tractor) are just right, too. You'll like our kind of service. So how about dropping in or phoning us soon?

A honey for saving money!

Want a "date" that'll save you money? Then "make a date to OIL-PLATE" with Conoco N# Motor Oil, today!

(1) N# protects against wear... with an added ingredient that fastens extra lubricant so closely to metal that cylinder walls are actually OIL-PLATED. This extra OIL-PLATING stays up... won't all drain down into the crankcase, even overnight!

(2) N# protects against combustion acids... a second ingredient checks metal-eating engine acids... stalls off power-choking sludge and carbon... helps keep engines clean.

(3) N# protects against waste. Refined from finest paraffin-base crude oils, N# has the "body" to stand punishing heat... give full-time protection, more miles per quart!

Save your car, save your money...

Make a date to OIL-PLATE!
