**SPEED KILLS—TAKE IT EASY!**

Speeding is a contributing cause in 2 out of every 5 fatal motor vehicle traffic accidents. If you are in an accident going faster than 60 m.p.h., your chances of being killed are many times greater than at 40 m.p.h. Drive slower—live longer!

**Be Careful—the life you save may be your own!**

terest every devotee of the pigskin parade, and possibly act as a soothing, cooling antidote for the hot weather.

That event is the Orphanage Shrine Bowl football game, which is to be played at Riddick Stadium on the night of October 29, between teams representing the Methodist Orphanage at Raleigh and Oxford Orphanage of Oxford, and which will become an annual event.

The game is being sponsored by the Sudan Temple, which has jurisdiction over the affairs of Shrinaton throughout Eastern North Carolina, embracing more than 5,000 members.

Coaches Fred Smith of Methodist and Eli Ragan of Oxford, are well-known for their ability to develop football teams which rank with the best high school talent in North Carolina. They report that their material for the coming season, promises to be about the best that has ever come to their attention, and an interesting, hard-fought game always can be expected when these two old but friendly rivals clash.

**Shriners Plan Orphanage Ball Game**

North Carolina sports fans right now probably are thinking of finding ways to keep cool than of fall's scheduled for late October should in-
