Tobacco Group Set Opening Dates Market

Raleigh, June 30. — The Flue-Cured Tobacco Marketing Committee, representing leaf growers, buyers and warehousemen, set opening dates for the 1948 tobacco selling at its annual session Tuesday.

The 15-man panel also reelected Fred S. Royster of Henderson as chairman and J. B. Roundtree of Lumberton as secretary.

Opening dates for the five flue-cured belts were:

Georgia-Florida, July 22; Border Belt, August 3; Eastern Belt, August 19; Middle Belt, September 2, and Old Belt, September 13.

The committee set selling time on all flue-cured belts and markets from Virginia to Florida at five hours per day, with a selling rate of 400 piles an hour. Officials said the maximum weight per pile will remain at 250 pounds but a tolerance allowance not to exceed 50 pounds per pile will be allowed for leaf sold by farmers only.

Handy Gadget

As souvenirs, folks at a meeting recently received auto key chains. Attached to these were coin slots, to hold nickels for parking meters.

You don't need this handy gadget when you visit Goldsboro. Parking is free. And the Goldsboro News-Argus would fight its editorial hardest at any suggestion that parking meters be put in Goldsboro. With 4 rows of angle parking on Center street, parking meters would be absurd.
