Farm Boys Forestry Camp Called Off

State Forester W. K. Beichler announced today that because of the Polio threat in North Carolina, the annual forestry camp for farm boys operated by the Division of Forestry and Parks, has been called off. Beichler said that Dr. Roy Norton, State Health Officer, advised him that it would be undesirable to hold the camp this year in view of the fact 20 of the 70 boys were to come from other Southern States.

The forestry camp was to be held from August 23 to August 27, at the Division's Singletary Lake Group Camp. It was sponsored by member mills of the Southern Pulpwood Conservation Association and the Seaboard Railroad. The State Vocational Agriculture Department and The Agricultural Extension Service select the farm boys each year for this camp.

Personals

Rev. and Mrs. N. P. Farrior were at Raleigh Saturday to visit briefly with their daughter, Mrs. Kenneth L. Stapleton of Hibbing, Minn. who was on her way by plane to Monroe, N. C.

Mrs. Stapleton, who is a physical Therapist, was trained by the Infantile Paralysis Foundation at the Medical College of Va. at Richmond and has been called in to help in the Polio epidemic at the Monroe hospital. Her one year old son will remain with the Farriors while his mother is engaged in this work.

Mr. and Mrs. Fred Williams have moved into the house recently vacated by Mr. L. H. Turner and family.

Mr. and Mrs. Buie of Winston-Salem have been visiting the Rev. and Mrs. Robert Goodchild, parents of Mrs. Buie.

Mr. and Mrs. Frank Wiley have returned from visiting at Bath. Miss Ramona Worley returned

Mrs. Janey Stroud Grady Was Honored On 73rd Birthday

At her home in Albertson township, near Holt's Store, on Sunday, July 11th, 1948, the children, grand children and great grand children with a good number of in-laws and a few invited friends of Mrs. Janey Stroud Grady gathered to celebrate her seventy-third birthday. Janey is the mother of eight children, twenty-five grandchildren and eleven great grandchildren living, and most of them were there.

The occasion was almost a surprise for Janey as her children and in-laws had planned it in advance but as she is a faithful and regular attendant at her Sunday School and church services it was decided to let her know of it the day before. By eleven o'clock the crowd began to gather and about 12:30, on a large table prepared under the

shade trees in the yard fried chicken, ham, bread, cake, pies, pickles, iced tea, lemonade and other good things to eat with a large birthday cake in the center of the table. After the blessing and the crowd singing "Happy Birthday To You" all ate their fill and still plenty was left to have satisfied a crowd as large as had eaten.

Here's hoping Janey can have many more birthdays and enjoy them as she seemed to enjoy this one. Janey is the only child living of the six children of Needham and Roxy (Harper) Stroud, late of Albertson Township. She is a true mother, grandmother, great grandmother, friend and neighbor. Not many mothers can surpass her in having lived a life of unselfishness. By Malcolm Grady.

State College Answers Timely Farm Questions

Q I used wilt-resistant tomato seed this year, but my tomatoes are still wilting. Why?

A There are two widely occurring tomato wilt diseases in North Carolina. One is Fusarium wilt, caused by a fungus; the other is Southern bacterial wilt, caused by bacteria. Both affect the plant in much the same way. Some varieties are known which are resistant to Fusarium wilt, but none has as yet been developed which is resistant to bacterial wilt. Efforts are now being made to develop varieties which will be resistant to both

types of wilt.
 Q Will Ladino clover grow on most soils?
 A Yes, however, it should be used on light, sand, and droughty soils.
 Q Pres. Truman called for the elimination of 30,000,000 farm hazards during National Farm Safety

Week, July 25-31. What are some of the most common?
 A Faulty electrical equipment, defective hand tools, poorly lighted barns, loose boards with nails, rags saturated with oil, makeshift harness, loose fitting clothing, unsafe ladders, unsafe bull pens, etc.

Uncle Sam Says

There are few Americans who cannot get a thrill out of watching crops or flowering plants grow. And by the same token there are few who cannot feel the satisfaction of planting their money where it will grow. Invest in U. S. Savings Bonds and your money will grow, producing \$4 for every \$3 put into these bonds. Your country needs your money and you will need money to do the things you dream of today. If you are a wage earner see to it that your name is included with those already enrolled for the payroll savings plan. U. S. Treasury Department

night, July 23, for the special showing of The Lost Colony during Negro Citizens' Day in Manteo, informed sources in charge of arrangements for the program said.

Baseball

Pink Hill defeated Falling Creek 13-12 at Pink Hill Saturday afternoon. The score was 9-4 in Pink Hill's favor at Falling Creek on Sunday afternoon.

FFA Boys At Lake

Thomas Byrd, George Howard, Elbert Smith, Bobby Hicks, Ronald, Paul and Thomas Harold Quinn, members of the Future Farmers of America spent some time recently at White Lake. They were accompanied by Whitford and Ethro Hill and Roland Carter.

WS of CS Meets

Mrs. H. E. Maxwell was hostess to the Womens Society of Christian Service at its regular meeting at her home Monday afternoon. Mrs. Leighton Turner gave the devotional and Mrs. D. W. Ruffin presented the program. Mrs. J. M. Jones presided. The hostess served an iced fruit drink.

The current hauls are bringing a return of about 25 cents a pound for headed shrimp to the man who catches them.

Mayor Newman Willis.

It was not long until Levi Knowles of Rose Hill, an ill-looking man, let it be known that he had lost a purse.

He identified the purse and its contents and same was turned over to him. He became the happiest man of the day and then it was Mobile Wade's time to be happy. Instead of just saying thanks and walking away, Levi rewarded Wade handsomely, according to Willis.
