From Wallace

By Thelma Weatherly Where To Find It In Wallace

Shopping around in Wallace for blouses this week, and what a wide range of styles and colors are available in the shops . . . and all such beauties, with prices that are amazingly low.

There was a pure silk with long sleeves, in watermelon pink, and boasting one of the new pointed collars, at Warner Hall Gift Shop. Sale priced at \$5., and lovely.

At Katz's new department store I found a beauty of a white crepe, with the jewel neckline that is so feminine and flattering. There I also found pastels that would match or contrast with anything you have.

In the window at Margolis & Liberman I saw that ever popular blouse, the white tailored classic,

long sleeves, and shirt collar, and with the added attraction of tucks on either side, down the front.
