## Negro Accidentally Kills Self

Coroner C. B. Sitterson reports that Walter Lee James, colored, of Rockfish Township, accidentally killed himself by shooting with a 12-gauge shot gun while hunting squirrels without a license. The accident occurred on the bridge over Rockfish Creek on the road between Wallace and Marrell's Store at about 2 p.m. Monday, Oct. 18. Three eye witnesses, Wilbert James, Lewis Junior and Elisha Scott West, who were with James, gave the following account of the accident. As they and Walter Lee James were crossing the bridge they heard a car approaching and James was afraid that the car was that of an officer. Since he had no hunting license he hid the gun by sticking it down beside a piling of the bridge butt first. Over the top of the piling had been nailed a piece of tin. After the car had passed he reached down and caught the gun barrel and pulled it up. The hammer caught on the edge of the tin and the gun fired. The load entered under the right arm and ranged upward to his neck - killing him.

## BOB GRADY SAYS

Today we received some advertisements from the so-called "Dixie-crats". We replied that we need all the money we can get, but we don't believe in their principles and we refused to run their advertisements. We believe in the Democratic Party. We believe that it has given to the South more than any other group. In every distress of our country the Democratic Party has come to our rescue. History has proven that the liberal ideas of the Party are correct. Of course, it makes mistakes, because it is made up of humans. But we believe that the people of Duplin adhere to the Party's principles. We don't think Dewey is worth a damn and we know Wallace and Thurman are not.

Franklin D. Roosevelt, equaled, if not surpassed Washington, and Mr. Truman is trying to carry on his doctrines and doing his best.

If we folks in the South, and particularly in North Carolina, want to hold our strength in the National Government we had better watch our step. North Carolina is coming into its own in national recognition, and we want to keep it so. Let's hue to the line, use our heads, and pull together for North Carolina.

Character is not necessarily what you really are, but what others think and believe you are. --Me

## Chest X-Rays To Check On TB

An insidious aspect of tuberculosis is that it has no symptoms in its early stage, when it is easiest to cure. It can be detected, however, even in the early stage by means of a chest X-ray. These people are taking no chances with TB by getting their chests X-rayed. Tuberculosis associations cooperate with health departments in providing X-ray services from Christmas Seal Funds.

## Tuberculosis Association Meet Directors Of Duplin County

The Board of Directors of the Duplin County Tuberculosis Association met Friday night, October 15 at the Health Department in Kenansville. Dr. H. W. Colwell, vice-president, presided. Usual routine business matters were soon disposed of and a discussion of the association's program and needs were held.

Miss Sarah Peatross, Field Director of the N. C. T. B. Association was present and spoke to the group. Mrs. Gordon Kornegay, Executive Secretary, gave a report on the recent mass x-ray survey which revealed more than ever Duplin's great need for a better TB control program.

Reports were as follows: 13400 persons x-rayed during survey; 500 suspected of TB were called in for large film; 84 cases of TB found active and inactive; 100 cases highly suspicious but diagnosis reserved until strict follow-up is completed.

Dr. G. V. Gooding, Duplin Health Officer, cited the financial needs of the association to continue the program as begun. A sum of \$4500 was set up by the group as the quota for Duplin County.

Mr. Lewis Outlaw, as previously announced has again consented to head the committee on fund raising. The following persons were named to represent their respective communities in raising the 1949

goal by personal solicitation:

Dr. H. W. Colwell, Wallace, quota, \$500. Mr. A. L. Cavanaugh, Warsaw, \$400. Faison, \$200. Mr. H. B. Kornegay and Mr. B. C. Sellars, Calypso, \$150. Mr. Dallas Herring, Rose Hill, \$200. Mr. L. H. Fussell and Miss Macy Cox, Magnolia, \$100. Kenansville, \$200. Orsent Ivey and Walter Hinson, Wolfscrape, \$50. Mr. H. S. Tyndall, Glisson, \$75. Mr. M. B. Holt, Albertson, \$50. Mr. Roland Thomas, Sarecta, \$75. Mr. Clarence Shepard, Smith, \$50. Rev. Jim Garvin and Mr. Elliott Pickett, Chinquapin, \$75. Mr. S. A. Parker, Bowden, \$50. Miss Sadie Bennett, Lane-field, \$20. Potters Hill \$50 and Rockfish \$20, committee not named.

It was decided that personal solicitations would begin at once. Names of all contributors are to be sent to Mr. Lewis W. Outlaw, Kenansville, Seal Sale Chairman, in order to eliminate these contributors names from the mail sale list.

With Tuberculosis claiming the lives of 1056 persons from North Carolina in 1947, 16 of these from Duplin, it is high time that we awaken from our complacency and go all-out to fight this enemy.

Look up one of the members of the above committee and make your contribution today. Money donated to fight T. B. is deductible from your income tax.
