A NEW TWIST IN BETTER SERVICE All over the Tide Water System these days, crews are hard at work stringing new lines and installing new electric and gas equipment to bring you better service. So many new folks have decided to settle in Southeastern North Carolina during these last few years that Tide Water has begun a new improvement program involving more than \$3,000,000.00. Soon Tide Water service will be second to none in the country. No one is better pleased at these developments than the 360 good Tide Water neighbors of yours. They are the folks who are alert 24 hours a day to see that you get service in spite of storms, accidents and other unforeseen emergencies, and this at rates as low or lower than any on the Atlantic Coast!
