

### VANITY POKE IS BEAUTY AID

Teen-agers, naturally pre-occupied with their appearance, should be encouraged to develop basic beauty techniques. Bringing out natural loveliness of gleaming hair, clear skin and good posture result in self-confidence and poise. Add to these the important habit of occasional quick grooming pick-me-ups during the day.

Excellent gift for a teenager to encourage good beauty habits is an attractive drawing Vanity Poke equipped with a miniature comb and nylon-bristled hair brush.

Large enough to hold lipstick, compact and other accessories, in addition to the clear lucite comb and brush, Vanity Poke may be carried as a purse for school, social events or sports. It may be tucked in a handbag or pocket, or tied to a belt.

The fashionable Vanity Poke comes in red, green, brown and black and may be obtained in department, drug and other retail stores.

The business and professional woman also will find the Vanity

Tiny nylon-bristled brush from drawing Vanity Poke keeps hair neat and attractive. The poke is large enough to hold lipstick, compact, and other beauty accessories. Carried as a handbag, or tucked in a purse or pocket, the poke keeps lucite brush and comb handy for quick beauty treatments.

Poke an attractive beauty accessory. It can be kept in the corner of a desk drawer to keep hair looking its best during business hours.

For active sports, the handy drawing bag ties to the belt. The efficient little brush is invaluable for refurbishing wind-blown locks.

Any woman who travels will appreciate its packable convenience.

"Lonnie's New Crop" describes how a young farmer makes unproductive land work at a profit growing trees. It shows all the steps in getting, planting and caring for trees.

The film is adapted for use at meetings of landowners, in civic groups, schools. It allows ample time for discussion of the subject as it applies to the local community.

### How To Plant Southern Pines

An informal film on the subject of tree planting in the South has been completed under the sponsorship of the Southern Pine Wood Conservation Association and the Georgia Forestry Department. The film was produced by the Southern Educational Film Production Corp.

### Uncle Sam Says

Many of my nieces and nephews are going to wake up the day after Christmas and realize they are broke. Many thousands of others will awaken to find they are well on the way to financial security. And the difference will be found in the regular automatic purchase of U. S. Savings Bonds. And the nice part of this is that it can happen to you. If you're not saving money as you'd like to, and you know you ought, get on the Payroll Savings Plan where you work. You'll have \$4 for every \$3 you invest, in only ten years. If self-employed, your bank will enroll you for the Bond-a-Month Plan. Sign now and part of your pay check is put into safe, profitable U. S. Savings Bonds before you get a chance to spend it.

### State College Hints To Home Makers

Possibly not enough homemakers are aware of their prestige in affairs financial. These statistics should bolster us: Women control

70 to 80 per cent of the nation's wealth; they own 50 per cent of the stock in large corporations; 57 per cent of savings bank deposits and make 42 per cent of all income tax returns; they do 85 per cent

of the buying for the home and family, and directly influence the other 15 per cent. With that much money passing through their fingers in one way or another, it's up to the homemakers to accumulate as much financial wisdom as they can for this big responsibility they carry in getting their money's worth.
