A Prayer

By: J. E. GRADY
Oh Lord, Our Lord
How mighty is Thy Name
We pray unto Thee
To give to mankind
Something that is sane,
We poor mortals
Need help
To find our path
To a greater self.
Our gracious Redeemer
Amen.

CAN YOU STOP IN TIME?

Drive slow in rain, sleet, or snow! Normal speeds are dangerous when streets are slippery. It takes from 3 to 12 times more distance to stop your car on snow or ice. To drive safely in winter weather, here's the low down... slow down!

Be Careful—the life you save may be your own!
