THRIFTY Builders PREFER VITA-LITE Building Units Because...

1. They are aged under Covered Storage.
2. They have high Insulating Value.
3. They are Termite Proof.
4. They are Fire Safe.
5. They are Economical. They Are Built To A Standard—Not To A Price.

STRICKEN BY RARE MALADY

NEW YORK—New York Postmaster Albert Goldman reads the comics to Michael Colangelo, 3, and his sister, Paulette, 6, getting blood transfusions for Mediterranean, or Cooley's, anemia. The transfusion blood must come from persons whose forebears are from the Mediterranean as it is blood for the children's twice-monthly transfusions is supplied by the New York City Post Office Blood Service, assisted by Red Cross.

Entertains Club

Mrs. Lehman Williams was hostess to a regular meeting of the B. F. Grady Home Demonstration Club at her home Monday afternoon. Mrs. Williams presided.

Home Agent, Miss Hilda Clontz, gave hints on "Modern Serving Aids". Mrs. Paul Williams made a short talk on Poultry and Mrs. Lewis Williams gave some suggestions on making Spring suits.

The club voted to donate \$25 for the purchase of cooking utensils for the American Legion Hut at Maxwell's Mill.

Nineteen members and four visitors were present. Refreshments carried out the St. Patrick Day motif.

Mrs. Scott Herring will be hostess to the club at its next meeting on April 4, at her home.

P. T. A. Meets

A regular meeting of the Pink Hill PTA was held at the school Monday evening, March 14. The meeting was one of a series on Good Citizenship, being sponsored by the PTA and Home Demonstration clubs of Lenoir County. Rev. Weston C. Reed, Supt. of Kennedy Home Orphanage was guest speaker.

Platoon Sgt.

Cadet Kenneth Maxwell, son of Mr. and Mrs. E. R. Maxwell of Pink Hill, has been promoted to the rank of Cadet Platoon Sergeant at Castle Heights Military Academy in Lebanon, Tenn. The appointment to this rank is based on the cadet's military and efficiency record. Cadet Maxwell was also a member of the cast of "Patience," an operetta recently produced by the Music Department.

Basketball

The Pink Hill High School 31st grade team defeated the B. F. Grady 8th graders 18 to 11 in the Pink Hill High School gym Friday afternoon.

Hostess

Mrs. J. K. Smith was hostess to a regular meeting of her bridge club Tuesday evening.

The St. Patrick day theme was carried out in decorations and refreshments. Mrs. Linwood Turner was the winner of high score prize, Miss Irene Mizelle won second, while Mrs. Roger Inman won consolation prize. Mrs. Frank Wiley won a prize in bingo. After the first progression coca colas and mints were served and at the conclusion pineapple delight with whipped cream and coffee.

U. F. W. Meets

At a meeting of the Willard Smith of the U. F. W. held in the town hall Wednesday night, the following officers were elected: Commander, Jasper D. Tyndall; Sr. Vice Comm., George M. Turner, Jr.; Vice Comm., Christopher Coombs; Quartermaster, Aubrey W. Turner; Adj., Jasper K. Smith; Post Advocate, John E. Johnson; Chaplain, Rev. Norman P. Farrion. These officers will be installed at a special meeting to be held in April.

After adjournment a fish stew was enjoyed.

Personals

Mrs. Clarence Jones was called to Wilson Friday due to the illness of her sister-in-law, Mrs. "Buster" Bell.

Misses Carolyn Parrish and Ann Youngblood of the school faculty spent the week end at Wilson Mills. Cadet Kenneth Maxwell spent a few days at home here recently.

Mr. and Mrs. W. F. Simpson and son Freddy, Messrs. Lonnie and Haywood Stroud visited Mrs. Lonnie Stroud at Sanatorium Saturday.

Mrs. Clifton Howard and son of Kinston visited Mr. and Mrs. Floyd Heath Sunday.

Mr. and Mrs. Graham Turner and daughter spent the week end at Ft. Barnwell.

Ruth Turner Parrott of Kinston has been visiting her grandmother Mrs. T. A. Turner.

Messdames Graham Turner, Linwood Turner, T. J. Turner, John E. Johnson and Miss Nacie Williams shopped in Raleigh Thursday.

Mrs. T. A. Turner attended the funeral of Mr. William Pickett in Kenansville last Friday.

Floyd Heath, Jr., has returned to Washington, D. C. after a week end visit at his home.

INSIDE STORY OF THE ROLLED BALE

MORE LEAVES STAY ON THE STEM — The gentle way to bale. Saves more leaves, color and protein of hay. Leaves are rolled inside, where they can't escape. Less feeding waste.

SHOWER-RESISTANT BALE — Rolled bales shed water like a thatched roof. Less surface on the ground; they dry off faster after a rain.

PRICED FOR HOME OWNERSHIP — Do your own baling the hour your crop is ready.

HANDLES DOUBLE WINDOWS — Double windows cure fast and make the best bales. Turns out more bales per hour.

SEE US SOON...now...if you would like to own a Boto-Bale this year.

New Plymouth on Display

Plymouth's new special deluxe is featured above. Brilliant new styling is combined with outstanding riding comfort, increased roominess, and sweeping mechanical improvements in the new line of Plymouth automobiles.

Completely redesigned, the new Plymouth has a longer wheelbase for a better ride and more road stability, but less front and rear overhang for easier parking and maneuvering. While the silhouette has been lowered and the width decreased, there is more head and leg room and seats are wider. Typical of Plymouth's many refinements is the ignition-starter combination, with which a turn of the key starts the engine.

The new Plymouths are sleek in appearance. New rear-end styling provides a graceful balance with the horizontal grille lines which emphasize the broadness of the front. Fenders which blend perfectly into body lines are nevertheless separate and detachable, thus avoiding sheet metal panels so costly to repair or replace.

The new Plymouth line includes nine distinct automobiles. Special deluxe and deluxe types are on a 115-inch wheelbase, one inch longer than last year's. Special deluxe models are: four-door sedan, club coupe, convertible club coupe and station wagon. In the deluxe group are the four-door sedan and the club coupe. In addition, Plymouth will build three deluxe models on a brand new 111-inch wheelbase, a two-door sedan, a three-passenger coupe, and a new body type, the Suburban.

The 57-horsepower engine has improved performance and efficiency with a new design cylinder head which increases compression ratio to 7 to 1. A new chrome plated compression piston ring reduces cylinder wear and provides greater protection during the break-in period. There are improved oil rings for greater oil economy, while a newly-designed intake manifold induces quicker, smoother engine warm-up and produces faster throttle response.

Body styling which produces greater passenger room without excessive bulk also increases visibility. V-type windshields have 57 percent more area and provide excellent vision without distortion. Windshield wipers clear 81.5 percent greater area, and the rear window is 24 percent larger.
