Your Capital Theatre in Kenansville is all set for your entertainment next week. The week's agenda opens Monday with "I Shot Jesse James". Who did shoot him? See the picture Monday or Tuesday. Stars include Preston Foster, Barbara Britton and John Ireland. For Wednesday only, the Capital brings "They Drive By Night", with George Raft, Humphrey Bogart, Ann Sheridan and Ida Lupino. Bogart and Raft, as two free-lance truck drivers, have been operating their business on borrowed money. Bogart hates the night-driving business hours because it keeps him away from his wife, (Gale Page). Raft meets up with a flippant roadside waitress, (Ann Sheridan) and falls hard. Bogart has an accident and loses his arm, and Raft is then forced to go and ask an old friend, (Alan Hale) for a job. Hale's wife, (Ida Lupino) is young and attractive, and makes a strong play to win Raft's attention. He gives her the cold shoulder. Ida then murders her husband and tries to pin the guilt on Raft. During the trial however, Ida cracks under the strain and exonerates Raft, which leaves him free to marry Ann. Thursday and Friday brings you one of the season's best. Heart-warming indeed is Walt Disney's new cartoon and live action dramatic feature production "So Dear To My Heart", in color. A show for all the family. It all happens in an Indiana town where an orphan,

SOME EPITAPHS IN DUPLIN

By: A. T. OUTLAW
A number of tombstone inscriptions in Duplin are of more than passing interest. A few of them are as follows:
"BRYANT SMITH, born February 1, 1827, died October 25, 1882. While in the peaceful pursuit of his domestic duties he was ruthlessly shot from off his horse and instantly killed by some miscreant, not yet known to civil law, but there is one above whom he cannot evade, who has said vengeance is mine, I will repay."
"FRANKLIN, son of S. H. and Elizabeth Phillips, born June 1, 1873, murdered by R. E. Lee, November 12, 1899. We cherish thy memory."
"Colonel WRIGHT BONEY, died December 17, 1856, aged 64 years. This languishing head is at rest Its thinking and aching are over Is heaved by affliction no more." This is said to have been composed by Colonel Boney himself.
"Major GEORGE E. HOUSTON, died Feb. 20, 1852, aged 19 years 3 months. Behold my friend as you pass by As you are now so once was I As I am now so you must be Prepare for death and follow me."
This inscription is on another tomb in an old cemetery near Wallace.
The graves of DANIEL, CHLOE, THOMAS and REBECCA, faithful slave servants of John T. Molton, all bearing substantial marble markers, placed there by the master something we seldom see.
"Gen. JOHN WAYNE, died June 29, 1845, aged 55 years." This inscription recalls General Wayne's marriage announcement as it appeared in The Raleigh Star for May 1, 1828, and reproduced in The Wallace Enterprise for November 7, 1935, as follows: "At the seat of Brigadier-General Jno. Wayne (Duplin County) on the 15th ultimo the General to Miss Mary Merritt of Sampson County after a courtship of 29 minutes and 7 seconds." And we are told that we live in a fast age!

Jeremiah Kincaid (Bobby Driscoll) is being reared by his strict but lovable widowed grandma (Beulah Bondi). The boy's problems revolve around a neglected black lam which he is resolved to keep and rear against the practical considerations of his grandma, whose hard work farm life is upset by the arrival of the lamb with its dark fleece not marketable. Then comes a conflict of wills between the two and finally involves the whole community before the boy wins a coveted prize at the county for his pet and finds his character set in "the way the twig is bent", to his grandma's great and loving relief, and by his contacts with the tenebrous blacksmith (Burt Ives); the understanding livestock judge (Harry Carey) his sympathetic little playmate (Luana Patten); the village storekeeper (Raymond Bond), and other interesting human and animal characters.
Saturday brings the usual exciting picture "Dynamite" is a highly explosive film revealing dynamiting dangers. As "Pete" Quinn, local dynamite dealer, says, "I always caution my customers about dynamite. I sell it but warn against loose handling." So with the picture "Dynamite". It is rough stuff but well worth seeing if you handle yourself carefully.
Also you will see another stirring installment of the serial "Gang Busters" and an exciting frontier picture "Pioneers of the Frontier".

"Your Family Dog" Pictures Wanted For National Contest

So you think your pup's cute! But how does he stack up in comparison to others? Here's the way to find out:
The Duplin Times has just received word of the second annual dog photo contest being sponsored by the Gaines Dog Research Center, New York, as part of the 1949 observance of National Dog Week this coming fall. The theme of this year's contest is "Your Family Dog" and prizes totaling \$875 are being offered for photographs involving actual family pets or of situations and activities in which the family dog could well play a part.
Entries this year will be accepted in two classifications: 1. Work of amateur and 2. Work of a member of a camera club. In each of these groups there is a first prize of \$250, a second of \$100 and a third of \$50.
Deadline for entries in this contest is 4:00 p.m. Friday, September 9, 1949. Judging is to be done by a committee of photographic authorities, and the winners announced during National Dog Week, September 18-24, or as soon thereafter as is practicable.
A post card request to the Gaines Dog Research Center, 250 Park Ave. New York, 17, N. Y., will bring a copy of official contest rules.

Wheat Acreage Allotments Being Established In Duplin County

This request, Mr. Sloan stated, must be filed with the County Committee in writing well before the normal seeding date for the county. The closing date for accepting such request will be set sometime later, but it will not be later than the normal seeding time, Sloan said.
In filing a request for a "new" wheat acreage allotment, Sloan advised that the farmer include in the request the serial number of the farm for which the allotment is requested, and any other information which the applicant feels will be helpful in establishing the allotment.

Wheat acreage allotments are now being established for Duplin County farms, and Joe E. Sloan, Duplin chairman ACA, warned farmers that they must file request for "new" wheat acreage allotments if they did not have any wheat seeded for harvest any of the three years: 1947, 1948, or 1949, but intend to seed wheat for harvest in 1950. Such farms may qualify for an "old" grower allotment, however, if the owner or operator was in the Armed Forces in 1947 or if there was an increased acreage of war crops in 1947.

A number of our young people attended the Clinton Area sub-district youth rally in Warsaw on Monday evening, June 6. The number of those attending were 7 from Kenansville and 18 from Magnolia. When "Duplin Circuit" was called, we thought for a moment that the combined strength of the two groups would carry home the pennant.
