Youth Program

The Warsaw PTA is sponsoring a community wide recreational program for the children this summer. The committees have been laboring earnestly for the past several months and are now seeing the fruits of their efforts. The town, cooperating with the PTA, pays a director for a 12 weeks period, to supervise the playground at the rear of the new town hall. Mrs. N. A. Mitchell efficiently supervises the grounds where tennis, volleyball, base ball, slides, swings, seesaws and other children's games are enjoyed, from 9:30 a.m. to 12:00 and from 3:00 until 6:00 p. m. daily Monday thru Friday. Parents are advised to send a nurse or older child with the small tots to the playground.

The Youth Center, housed in the Agriculture building near the high school auditorium has been converted into a mammoth recreational center. Two good ping pong tables are in use most of the time, various table games and schuffel board are provided and enjoyed, and two nights a week is provided for skating. Scout Camping Season For Tuscaroras Opens June 12th

The summer camping season opens for Boy Scouts of Tuscarora Council on June 12. The Council operates two of the finest camps in the southeast. Camp Tuscarora is located 5 miles southeast of Dudley and is maintained for the white scouts

and comprises 40 acres of wooded land, sandy enough to drain well, and rugged enough to appeal to the pioneer spirit in the boy. A beautiful lake is available for the many waterfront activities. Strict sanitary supervision is maintained at all times by the Health and Safety Committee of the Council.

Camp Carver for Negro Scouts is also beautifully located, situated 7 miles southeast of Dudley. This camp site has perhaps the finest lake of any camp in the south. Electricity has just been made available at Carver and that means that the camp will have the latest devices for sanitation and convenience. A new well has been provided, a new hot water heater installed, and adequate refrigeration provided for. This year, Camp Carver will be operated jointly by Tuscarora Council and East Carolina Council.

Both Camp Tuscarora and Carver are operated on a non-profit basis. This means that any Scout in the Council can have all the fun and adventure of camp without spending much more than it would cost him at home. No parent can afford to deny a boy the rich experience of a summer camp with the facilities of these two camps for four one-week periods. Carver will operate for three one-week periods.

Registrations already indicate a large camp attendance. Sunday, June 12, will be opening day for both camps. Prospective campers should report between 2:00 and 4:00 on that date. They should come to camp with their health certificates properly filled out by the family doctor. Campers should also be inoculated with tetanus toxoid before coming to camp. Proof that the Scout has had a smallpox vaccination, and recent typhoid inoculation should also be provided.

The Penney Branch H. D. Club will meet Wednesday, June 15 in the home of Mrs. Cortez Blackmore with Mrs. John Frederick as joint hostess. The hour will be 3 o'clock instead of 2:30.
