A Prescription
 If you are impatient, sit down quietly and talk with Job.
 If you are just strong-headed, go and see Moses.
 If you are getting weak-kneed, take a good look at Elijah.
 If there is no song in your heart, listen to David.
 If you are a polley man, read Daniel.
 If you are getting sordid, spend a while with Ishah.
 If you are getting cold, absorb some of the love of John, the beloved disciple.
 If your faith is below par, read Paul.
 If you are getting lazy, watch James.
 If you are losing sight of the future, climb up the stairs of Revelation and get a glimpse of the Promised Land.

Pleasant View
 By: GASTON F. GRADY
GOING STRONG AT 77
 Mr. J. E. Chambers, one of the older members of this community is still working at his tobacco and helping his neighbors. Last week he worked five and a half days and helped to fill five and one half barns of tobacco. Remember how hot it was last week? and he is 77 years old, or young I should say. How many of us will be doing this at even 50? ?
 Mr. and Mrs. Robert Grady and family are spending the week end with his sister, Mrs. D. L. Davis at Davis, N. C.
 Mrs. Durham Grady entertained for Mrs. Henry F. Grady at a Stork

 Mrs. Leonard Grady and sons attended the sandwich supper and group meeting at the Pink Hill Presbyterian Church Sunday afternoon.
 Everyone in this neck of the woods are still burning tobacco, and going nowhere. What are you all doing?

Duplin Circuit Methodist Churches
 Murrell K. Glover, Pastor
 Church services for next Sunday, August 7, will be:
 11:15 a.m. - Kenansville;
 3:00 p.m. - Wesley;
 8:00 p.m. - Friendship.
 The subject will be "What Shall We Do With Ambition?"
 On the second Sunday of August the pastor will preach on the subject, "Alcohol -- Both Sides of the Question," which will be in the churches of Kenansville, Unity, and Magnolia.
 The Official Board of the Magnolia Church met on Wednesday night, July 27, and the meeting was well attended. Much progress was made in the discussion and planning for a future program. The Revival Meeting was set for September 11-16. The Board set August 19, at 8:30 p.m. as the time of its next monthly meeting.
 The Official Board of Unity Church met on Sunday night, July 31, at 8:00 p.m. and the meeting was very well attended. Much progress was also made toward future plans.
 The Revival Meeting was set for September 4-9.
 The Chairman of the Board of Stewards of Kenansville has called a meeting for August 9 at 8:00 p.m. at the church. We will look forward to having all members present.
 There was conducted at the Rose Hill Methodist Church on July 30-31 a Youth Activities Week end. This week end was of much value to the young people of our area. Twelve of our young people of Magnolia attended, and two, Sally Newton and Kathryn Quinn, attended from Kenansville.
 At the time of this writing the Superintendent of the Kenansville Sunday School, Mr. O. P. Johnson, is planning to take his Sunday School Classes to the Wrightsville Beach Youth Center on Wednesday afternoon, August 3, for a swim and a picnic supper.

Answers Timely Farm Questions
 Q. Does it help to fertilize legume pastures with nitrogen?
 A. Only when the pasture is being started. Once legumes are well started, they manufacture enough nitrogen for their own use as well as for grasses growing in the sod.
 Q. I had three cases of eggs rejected by my dealer last week. What can I do to prevent this loss?
 A. Poor cooling is probably at the root of your problems. Consumer demand is forcing grocers and dealers to be more strict in grading and candling eggs.

BEULAVILLE NEWS

Sgt. W.-G. Whaley Gets Discharge
Women Of Church

The women of the Presbyterian Church met in the home of Mrs. Charlton Sandlin Tuesday night, July 19 with Mrs. Ada Williams in charge. Mrs. M. M. Thigpen had charge of the Bible study. Pride Of The Yankees
Lightning Raiders

Heatsickness and sunstroke are responsible for the loss of many lives each summer. With high temperatures during the hot season, it is easy to be overcome by several forms of heat illness.
 Sunstroke results from prolonged exposure to the sun's rays. Heatstroke may result from excessive heat without exposure to the sun. The effects are the same in both cases, and may in some instances prove fatal. Symptoms are: hot and dry skin, face red and flushed, high temperature, intense headache, breathing hard and loud, pupils enlarged but of equal size, and unconsciousness.
 The National Safety Council recommends the following suggestions: Move to a cool place, strip to the underclothing, lay on back with head and shoulders raised. Apply ice or cold cloths to the
