The American Legion will assist all local veterans in applying for their National Service Life Insurance Dividends.

This was announced today by Robert Bryant, commander of Edd Waters Post No. 227, American Legion, Warsaw.

"Our post will have the necessary applications which veterans will have to make to the VA to get their NSLI dividends," Commander Bryant said. "Every veteran who held his NSLI policy for 90 days or more will have a refund coming to him. Payments per veteran are

"The VA estimates that some 16,000,000 veterans are entitled to NSLI refunds," Commander Bryant said. "Actually today the VA has the home address of only six million eligible veterans. The American Legion will help it locate 10 million others."
