 Come on folks, let's have news. Turn in your news or what have you to me. "Gaston" and I'll put it in the Times. Thank you.

FIRE, FIRE - - -
 All in one week, two tobacco barns and one pack house. One tobacco barn on the farm of Mrs. Ressie Williams was burned Wednesday. A pack house on the farm

of Mr. Oscar Hines was burned the same day. All the year's crop was lost except the tips. And on the following Saturday Mr. Gus Rouse lost a barn filled with good tobacco. These are the first fires in this community this season. "Gaston"

Wonderful New Comfort

The Beautiful Chrysler | Silver Anniversary Model

New Concessions! Easiest ever made to get into and out of. Women enter and leave with dignity. Common sense engineering of wider doorways, and natural step-in entrances make it seem absurd ever to have to wrestle your way in and out of a car.

New Yorker 4-door sedan with PRESTOMATIC FLUID DRIVE* TRANSMISSION - drive without shifting

New Wider Chock-Height Seats! We don't fold you up like a "jackknife." You sit comfortably in seats the height of your easy chairs at home. We've more headroom, legroom, and shoulder room for you. And no other car has ever been so completely engineered from the fundamentals up for your comfort, your convenience, your peace of mind.

New Easier Steering! In one of the great advances since the war, we give you new "center control" steering. For the first time, tie rods of equal length give you balanced control. There's no wheel fight. There's greater road stability, easier handling, less road shock. Yes, and greater safety, too - for everything about this car is designed for safer driving.

New Smoother Driving! Chrysler's mighty Spitfire engine now has still higher compression for faster acceleration, smoother response. And along with its better all-around performance goes an amazing new Waterproof Ignition System that's exclusive with Chrysler. You can drive through high water but it won't stall. You get quicker starting, even in dampest weather, smoother idling, longer life.
