Rose Hill Man
Gets Pennant

Hubert L. Marshburn, fir-man, USN, of Rt. 2, Rose Hill is attached to the auxiliary oiler USS Waccamaw which has recently been awarded the Battle Efficiency Pennant and "E" for her general excellence throughout the fiscal year July 1, 1948 to June 30, 1949.

The award is a competitive one, based on overall battle efficiency. Each department of the ship is graded to determine the vessel's final mark in the competition.

The pennant is a red triangle with a black circle in the center and is therefore termed a "meat-

ball". In addition to the pennant each enlisted man is entitled to wear an "E" on the sleeve of his uniform and receives a cash award as well.

At present the Waccamaw is in the Norfolk Navy Yard undergoing overhaul.
