Please Read Your T. B. Seal Letters

Dr. H. W. Colwell, chairman of the Duplin County TB Seal Sales makes a further appeal to the people of the county to answer their TB Seal Sale letters. So few contributions have been received so far that the work is threatened to be hampered. TB in Duplin is definitely on the decline if we can keep the work up. Receipts from white people so far are only \$1,101.59. The negroes in the county have contributed \$489. Mrs. Flossie Williams is sale chairman for the colored people and says she hopes for more response. Negroes from Wallace, Rose Hill, Chinquapin and Branch have reported so far. It is much easier to prevent and control TB than it is to cure it. Who knows, it may strike in your home next?
