Plan Formal March Wedding Miss Beale And Mr. Kornegay

Mr. and Mrs. William James Beale of 907 Magnolia Street, Greensboro, N. C., announce the engagement of their elder daughter, Annie Ben, and Horace Robinson Kornegay, elder son of Mr. and Mrs. Marvin Earl Kornegay of Muir's Chapel Road, formerly of Duplin County.

A formal wedding is planned for Saturday, March 25, in West Market Street Methodist Church. Miss Beale, a graduate of Senior High School, attended Mary Baldwin College, Staunton, Va., and received a bachelor of arts degree

in 1949. He was president of the student body, of the law school, and of Alpha Sigma Phi Fraternity, was listed in the national collegiate who's who, and was a member of Gamma Delta Kappa, honorary leadership fraternity. He served in the army three years. This past March Mr. Kornegay was admitted to the North Carolina bar and is practicing law in Greensboro. Cash rates paid to hired farm workers were lower on January 1, 1950, than a year ago. The average rate paid throughout the nation at the beginning of this year was 58.7 cents an hour.

We take the Woes and Worries out of Weather

ONE of the grandest things about your Buick is the way you can ignore the season—chew your way through gravel and dust alike, splash through the wet stretches, snug and secure even on slippery pavements.

But bear this one thought in mind...

Rough road conditions call for special attention to your lubricants. Tires should be checked for correct inflation—for deep, clean tread that bites on a slick surface. Brakes won't stop you with a sure and gentle touch if the master cylinder needs more fluid, or if an air-bubble has worked itself into the line. These things, and more, should be checked to keep your Buick at its best.

If that sounds like more than one thought to bear in mind—just drive into our shop and tell the man, "LUBRICARE, please."

Our winter Lubricare treatment covers all these points—with specially trained mechanics following factory specifications as they go over your car from end to end.

Drive in this week, why don't you? The price is surprisingly low. The peace of mind is priceless.

Buick care keeps Buicks best

A & F MOTOR COMPANY E. Main St. Wallace, North Carolina

Ten Reasons WHY YOUR BEST BUY IS NATURAL CHILEAN NITRATE

1. Natural. Chilean Nitrate is the only natural nitrate in the world.
2. Nitrate Nitrogen. The nitrogen is 100 per cent nitrate.
3. Sodium. Chilean Nitrate contains sodium equivalent to about 35% sodium oxide (Na₂O). This acts like potash (K₂O) and helps to make the phosphate in the soil more available.
4. Iodine. Chilean Nitrate contains iodine to help meet the needs of plants, animals, and human beings.
5. Other Plant Food Elements. Chilean Nitrate contains small quantities of other elements that contribute to strong, healthy plant growth, such as manganese, potassium, magnesium, boron, calcium, iron, sulphur, copper and zinc.
6. Ideal Condition. Chilean Nitrate comes in free-flowing pellets—easy to handle and to apply in any distributor.
7. Quick Acting. Chilean Nitrate is immediately and completely available.
8. Anti-Acid. Chilean Nitrate helps keep the soil sweet.
9. Time-Tested. Chilean Nitrate has been proved by more than 100 years of research and practical farm experience.
10. Doubly Profitable—Economical. Chilean Nitrate improves the quality of crops as well as the yield. Consistently excellent effect of heavy applications year after year upon crop and soil alike makes it an outstandingly profitable and economical nitrate for every need and purpose.

"THEY'S ONLY ONE NATCHEL SODA!" Just being natchel makes Chilean soda different. Lot of farmers says it's because the nitrogen is all nitrate, and that's how plants like it best. Lot of 'em figure the soda and all the other minerals in it help make good, strong plants, too."
