FAISON SECTION

To The People Of Faison And Community

It is a pleasure that the Duplin Times, this week, begins a Faison section in the paper. We hope that from week to week the Faison section will make up at least four pages and more if possible. First thought, in planning to give you a newspaper was to publish a separate paper for this section but after thinking it over and discussing it with several of your leaders it was decided that the paper would serve the section best by being a part of the Times, your county newspaper, than in a paper by itself. You not only want to read about what you do yourself but you want to tell the rest of the county about it also. Your merchants want their message to go out over the county and attract new customers from other communities.

This week many of the Faison merchants have responded with their ads. Most of these will run throughout the month of March. We want to remind you, however, that the Faison section must carry itself from a financial angle. It cannot depend on the other communities in the county to supply enough advertising to support it. As all you readers know a newspaper cannot exist without advertising, and by the same token, a merchant cannot exist without business. You support your merchant and he is able to advertise.

If you like this issue of the Times let it be known by sending in your subscription. Mr. A. M. Davis will be manager of the Faison section of the Times and an office will be maintained in the new Big Dollar Feed Store. Mr. Davis will handle all advertising, news and subscriptions for the Times. Subscription rates are \$3.00 per year, advertising rates on request.

NOTE: All news items must be in the Faison office not later than Tuesday noon of each week, earlier if possible. Most of the Faison section will be printed on Mondays and Tuesdays. Your cooperation and support will be appreciated.

The Faison Sesame Club

The Sesame Club, under the leadership of Mrs. W. R. Clifton, president, has had a year filled with accomplishments. As soon as the 11th district entertainments were over the club sponsored a Cooking School, put on by Tide Water Power Co., since electric power lines have been erected in surrounding rural areas, it was felt such a school would be worthwhile. This undertaking enriched the club treasury by \$109.50 and proved to be of interest and benefit to many women. In the interest of the March of Dimes, the club sponsored a basketball game and sold candy and cold drinks at same. It also sponsored a motion picture for this cause.

At present the club, in conjunction with the Garden Club, is planting dogwood trees around the school and streets.

Many inspirational programs have been enjoyed by club women this year. Mrs. John D. Robinson, chairman of the N. C. Division of Council of International Clubs in the General Federation, told the club of her contacts with clubs in foreign countries and displayed several pieces of handiwork sent her by club women from the Philippines. She urged the women to correspond with someone in a foreign club.

Dr. F. L. Wood of the Federal Council of Churches of America who was visiting in the community, spoke to the club on "Home and Family Relations" and read inspirational excerpts from one of his

books. Mrs. Spencer Hicks of Durham, librarian at Duke University, gave four brief book reviews on popular books of the day. She delighted the

club with her charming personality and wit. At the close of her talk she presented to our library copies of the four books as a gift from her husband.

Feed Store Plans Gala Opening

On Saturday, March 4th the Big Dollar Feed Store, in Faison plans a gala opening for the people in the Faison section. There will be free gifts for all those families registering in the store on opening day. Those registering will be given the chance of winning valuable prizes consisting of choice of feeds in the store and bags of flour. Tex Harrell and his T Bar H Ranch Boys, of Stations WRRZ and WGTC will be in Faison immediately after their program over WRRZ and furnish music until that night. This type of opening is something new in Faison and it should be of interest to those in the surrounding area.

Many of the merchants are offering bargains in their merchandise on this date.

It is hoped that the feed store will fill a long felt need for the farmers of the Faison area. Many of the merchants have handled feed but it has not been possible to buy feed in quantity unless the farmer went elsewhere.

The Big Dollar Feed Store will specialize in Gold Strap Feeds, made by the Carbisco Flour and Feed Mills, of Rocky Mount. To farmers using the feeds the service of poultry, hogs and cow specialists will be made available free of cost to the farmer.

A new brand of flour will be introduced to the public of Faison area, "Argus", made by Piedmont Mills, Inc., of Lynchburg, Va.

Subscribe to The Duplin Times, your County Newspaper. Subscription rates: \$3.00 per year, in advance.

New Walks Added At Faison Church

Recently a work-day was declared at the Presbyterian Church in Faison at which time cement walks were laid from the sidewalk to the church doors. While men were laying the walks, others were building an out-door fireplace behind the building, and the ladies were meeting with a gardener who landscaped the lawn around the front. He is expected to set out evergreens this month according to a diagram he made on his first visit.

While the work progressed, Mr. John Oates stirred a pot of chicken in preparation for the evening meal. After work was completed, many of the members gathered for fellowship and chicken stew. Some were so tired from their labor that they did not enjoy the stew as well as usual.

The members will meet following morning service, Sunday, Mar. 12 to adopt a financial budget for the coming year, canvass members present, and to elect Elders and Deacons. The Church uses a rotation plan in which Elders and Deacons are placed in classes; one class to retire from active duty each year. Although they cease to hold active office when term of three years expires, they still retain the name of Elder or Deacon and can be called to active duty upon order of the Church. The entire membership is urged to be present for the congregational meeting.

News From In & Around Suttontown

The Women's Auxiliary of the Goshen P. H. Church met Thursday night, Feb 16 with Mrs. Thomas Wilson. Meeting was called to order by president Mrs. Granger Sutton with song, "Love Lifted Me". The 23rd Psalm was read by Peggy Jean Sutton. A prayer was offered by Mrs. Kennon McCullen. Mrs. Lorenza Whitfield called the roll, and 25 members answered. After a short business session, Mrs. Atlas Jackson rendered an interesting program. Those taking part were Mesdames William Britt, J. C. Jackson, Oditt Sutton, Henry Jackson, M. C. Sutton, E. N. Lindsay and T. O. Sutton. Several sick members were remembered with cards, flowers and fruit. The hostess served refreshments.

The society recently donated \$100 on a new piano for the church. One of its projects was making and selling of foot mats.

The meeting adjourned to meet in March with Mrs. Vernon Clark. There will be preaching services at Kings Methodist Church Sunday evening, Mar. 12 and Sunday School each Sunday morning. Why not fill up the church so Mr. Kinlaw will not have to preach to empty pews? The attendance has not been too good this past month.

The PTA of Piney Grove will hold its regular meeting Mar. 4 at 7:30 p.m.

Mrs. Harold Brown and children

of Hamlet spent the week end with her grandparents, Mr. and Mrs. G. B. Sutton.

At this writing little Laureen Baker continues very ill in a Goldsboro hospital.

Mrs. J. O. Sutton has returned from Virginia where she was called due to the illness of her daughter, Mrs. James Inman.

Recent guests of Mr. and Mrs. Percy Sutton were Mr. and Mrs. Herbert Vann and children of Mt. Olive and Mrs. Leonard Sanderson and son.

Mrs. Gilbert Sutton and Linda visited Mr. and Mrs. Ira Sutton of Newton Grove recently.

Mr. and Mrs. Henry Morris of Louisburg visited Mr. and Mrs. A. G. Munn recently.

Mr. and Mrs. H. A. McCullen visited Mrs. Bettie McCullen in Benson recently, who is reported seriously ill.

Mr. and Mrs. George Sugg of Goldsboro, Mr. and Mrs. Lester Sutton of Fayetteville, Mrs. Clara Vann of Herrings and Mr. and Mrs. Clement Joyner and children of Brownings visited Mrs. Zilphia Sutton recently.

Mr. and Mrs. Willie Jarnigan and daughter of Clinton spent the week end with Mr. and Mrs. T. O. Sutton recently.

Mr. and Mrs. Zeddie Casey of Clinton were recent dinner guests of Mr. and Mrs. D. B. Sutton.

Father And Son Are Ordained In Calypso Church

On Feb. 5, during the morning service, Mr. Jesse Grice was ordained and installed Elder, and his son, Mr. Paul Grice, was ordained and installed Deacon in the Presbyterian Church in Calypso. Having been elected at a congregational meeting in January, and examined as to their beliefs and knowledge of the duties of the offices to which elected by the Session at a regular meeting, they were ordained by the "laying on of hands" and prayer. Rev. Murphy Smith, pastor, read the qualifications and duties of each office as recorded in the Book of Church Order before the congregation and newly elected officers. Then the two officers were conducted to the front of the church by the Elders after which the pastor propounded the constitutional questions to them and to the congregation. All questions having been answered in the affirmative, the officers-elect knelt while the Elders placed their right hands on their heads, and the pastor lead in a prayer setting them apart to the office to which they had been elected. The pastor then declared the two men duly elected, ordained, and installed in the office to which each had been called. Following the service the congregation extended to them the "right hand of fellowship."

Mr. Jesse Grice was elected to replace Mr. Jim Cameron, recently deceased. Mr. Paul Grice was elected to replace Mr. Ed Lewis whose term of office, under the rotation plan, had expired.

Other Elders of the Church are: H. B. Kornegay, Albert Martin, Straus Davis, J. R. Maxwell, Adrian Dail, James Strickland, and Leon Flowers, clerk. The Deacons are Needham Sloan, Charlie Sloan, John Strickland, Jr., M. J. Lambert, Jr., and William Roberts, Jr., church-treasurer.

The additional fire hydrants will be placed in previously unprotected areas affording all citizens of fire protection at all times.

The planned improvements to the sewage system will prevent the dumping of raw sewage into our local streams, as has been the case in the past, due to the inefficiency

CONTINUED ON BACK

Work Progressing On Improved Water And Sewage System For Faison

Work is progressing on the improved water filtration plant and sewage disposal system for the town of Faison. Contract for the project was awarded to the Gibson Construction Company of Newton,

to do the work and construct the building and the Permutit Co. of New York, to furnish the filtering equipment for the water supply.

On May 3, 1949, the town held a bond election for \$30,000 for the purpose of improving its water supply and sewage disposal system. Also to increase the number of fire hydrants by laying 6 inch lines to parts of town that have been served by small lines. The citizens voted for these much needed improve-

ments by a large majority.

Heretofore the town's water supply has contained iron, magnesium and other minerals in large quantities, making it unpalatable and unfit for laundry use. After installation of the filter system the town is assured of water free from these minerals and of the same quality as that used in larger towns and cities.

The treatment plant will be located on the west side of town in a new brick building. This plant will have a maximum capacity of 28,000 gallons of filtered water per day. It will also be equipped with a chlorination unit which will assure the people of pure water at all times.
