### King's Church News

We had a good attendance at Sunday School and a large crowd for preaching Sunday. There were a number of members from other churches in the congregation for the morning worship.

We had as our guest speakers Mr. and Mrs. Burley Law, very close friends of Mr. and Mrs. Kinlaw, who are to sail for Africa as missionaries the 7th of March. They told of the work that had been mapped out for them.

We are wishing for them and their boys a safe journey over and our prayers will go with them in their new work.

We have Prayer Meeting each Thursday night at the church at 7:30. You are welcome at all services of King's Methodist Church.

## March 17 Is Arbor Day

State Forester W. K. Beichler reminded citizens that Arbor Day this year will fall on Friday, March 17. He urged all school principals and county superintendents to plan a program of its observance by school children, in order that they may be taught to appreciate the true value of trees and forests in their State. Help was offered in carrying out a program.

For schools planning such exercises, the Forester suggested the following Arbor Day Program: 1. Opening songs; 2. Invocation or Scripture Reading; 3. A recitation by pupils; 4. An address by visiting official; 5. Planting the Tree (in hole previously prepared); 6. Dedication of Tree; 7. Song (America); 8. Benediction.
