A SHORT STORY The Finnish Gold Story

By: Mrs. Howard Joyner

The Finnish Gold story is one of the strangest and yet undeniably one of the strangest stories ever told. If you do not believe in miracles, please do not read further, for you will only become puzzled.

In the little country of Finland, a poor widow was in charge of raising funds in order to build a much needed Chapel. The people here were even poorer than she, and were finding it very hard to donate enough funds to complete the chapel. At the present time, they had just one-third of what they needed to finish the chapel. To make matters worse, an unjust and unfair bill had been sent by a local lumber company demanding payment at once. The members had suggested taking the matter to court, but after prayer had decided against taking the "Lord's work" into the court room, and had decided to pray for help more diligently than ever before.

The little woman kept the scarce funds in a box that was always kept locked, and she alone had the key, so no one had access to the funds but she. During these discouraging hours, she prayed con-

stantly and as she later said, she kept the lamp of prayer burning day and night.

One morning, after spending the entire night in prayer, she removed the little box from its hiding place and placed it on a table. Using the key that she kept around her neck, she opened it and counted the pitiful sum, she neatly placed it in three piles. Then kneeling humbly, she prayed, "Dear Father, please do as thou didst do with the loaves and fishes. Multiply this money until it is enough to build our chapel." She now proceeded to recount the money, and to her great happiness, she found that each pile had multiplied. Almost numb with unbelievable joy, she again counted the money and found no mistake had been made. For the third time, she recounted and as before found that each pile had been multiplied. Knowing now that God had indeed answered her prayer, she called the members together and had each of them count the money. After they had thanked God for this wonderful miracle, it was voted that the bill, unjust as it was, was to be paid at

once and the remainder proved to be ample to finish the little Chapel. Ever after, it was called "Miracle Chapel" for well had it earned its name.

This story was later verified by a minister from Winston-Salem who made a journey to Finland and during his stay there, found the little woman who showed him the little chapel that a miracle had built. She repeated to him the story that you have just read.

A poisoned bait spread late in the afternoon at the rate of about 15 pounds of wet bait to the acre will be found effective. It is made as follows: Mix one pound of paris

green or white arsenic (dry) with 25 pounds of wheat bran. (One-half of the bran may be substituted with saw dust.) Mix one quart of molasses with two gallons of water to make a crumbly mass which can be spread by hand. Broadcast evenly throughout the infested areas. Do not leave in piles. Spread all the bait each day, and do not store any on the farm.

State College Answers Timely Farm Question

Q. What measures should be used to control armyworms? A. Corn or other row crops near grain fields should be watched for migration of the worms. Grass in fence rows and along roadways often is stripped when the worm appears in such areas. The adult stage, the armyworm moth, lays its eggs in dense, grassy undergrowth.

TRUE OR FALSE

Dr. Frank Graham made the following statement in Dunn, N. C., on March 24, 1950: "I have never been . . . a member or supporter of any organization known or SUSPECTED by me of being controlled by Communists or Socialists."

TRUE or FALSE

FACTS OF RECORD ON WHICH TO BASE YOUR ANSWER:

Frank Graham belonged to many Communist FRONT Organizations. Let us examine one of them which he can hardly avoid "suspecting" was Communist or Socialist controlled.

The Southern Conference for Human Welfare (SCHW)

1938 - The "Daily Worker" (Communist news and SCHW and gave its whole hearted approval. - Earl Browder (Head of Communist Party) propaganda newspaper) announced the forming of the vigorously supported forming of SCHW.

1944 - U. S. House of Representatives Committee on Un-American Activities branded the SCHW as a Communist Front Organization.

1945 - "Raleigh Times" newspaper said the key man of the organization was a man who stands publicly accused of dealing with sinister Communistic groups.

1947 - "Raleigh Times" editorial said Dr. Graham has the burden of washing his hands of the SCHW which might well change its name to the "Conference for SOVIET Welfare" or submitting strong evidence that the group has no Communistic leanings. - "News and Observer" said "an official report" hung the "Red Tag" on the SCHW.

AMONG THE CHIEF OBJECTIVES OF DR. GRAHAM'S SOUTHERN CONFERENCE FOR HUMAN WELFARE WERE: ADOPTION OF BOTH STATE AND FEDERAL FEPC LAWS, ABOLITION OF SEGREGATION, SOCIALIZED MEDICINE, AND SOCIAL EQUALITY AND ASSOCIATION FOR WHITES AND NEGROES.

Dr. Graham was an organizer, first Chairman, and Honorary President of SCHW.

HE NEVER RESIGNED FROM SCHW!

HE NEVER PUBLICLY DENOUNCED SCHW!

Is it possible that Doctor Graham did not "SUSPECT" that SCHW was being "CONTROLLED" by Communists or Socialists?

Did he ever report it to the Department of Justice?
