

**KENANSVILLE GIRL SCOUT MINUTES**

The regular weekly meeting of the Kenansville Intermediate Girl Scout Troop was called to order by Lois Caison in the absence of our regular Patrol Leader. The Promise, Laws and Pledge to the American Flag were repeated in unison. The roll was called by the Scribe with 16 present, including eight visitors. The troop decided to send a sympathy card to Mrs. Perry Dobson, whose mother died recently. Camp Traltee and our next Board of Review were main items of discussion during business. Several games were enjoyed by the troop after which Bettie Ingram passed off Drawing and Painting Badge. The meeting then adjourned until next Tuesday afternoon.

Sarah Outlaw, Scribe.

**Alone With The Night And You**

Tonite, I drifted through the trees; The night winds blew a gentle breeze; Time came and went, but I still on Walked with you and the night alone.

Classmates' faces framed in memory Fastened onto the time passing free, And sailed in the mind's broad expand Until crowded ashore and forced to land.

Exciting times were again reacted; None of its sorrow could be subtracted, Still the days that fled by Were merry ones at Grady High.

Many are the problems we've shared together, Each, always willing to help the other; Somehow united by an unseverable tie, Afraid of nothing to one time try, 'We've caught up the forgotten strands Of the past year in both our hands, Tying them with the present and future Thus, finishing another course of nurture.

There came those short days in cold December, But the days of spring we most remember. Now they're gone, passed and through And I am left alone with the night and you.

Marcia M. Scott.

**IN BEHALF OF- H. FRANK OWENS**

**FOR**

**District Solicitor**

**To The Voters Of The Sixth Judicial District:**

There are a few matters pertaining to the campaign for District Solicitor which should be said in behalf of Frank Owens - both because it will be helpful to the independent voters of the District in deciding whom to vote for and because Frank Owens himself would probably never say them.

Frank Owens was born and reared in a small town; he was a clerk in a grocery store. He got his education and his start practicing law the hard way - by his own individual efforts. He is, nevertheless, one of this District's most promising young attorneys.

When he announced his candidacy against an appointee of the Governor, he knew that he would have to campaign against all the pressure and money which that situation involves. Such has been the case. Frank Owens has been undismayed by this opposition of the Scott forces to his campaign and has vigorously and energetically campaigned for diligent and conscientious prosecution in our criminal courts.

He has done so with such vigor, and again knowingly, that he has brought on the opposition of local professional politicians and others interested in maintaining the status quo in our criminal courts. They are afraid that he can not be "handled". They are right. He can only be "handled" by his own conscience. His campaign has all times been directed to the independent voters, those who are sincerely interested in a vigorous and active prosecution of law violators.

We have never heard of Frank Owens saying one thing about his opponent which would be derogatory. But there is one difference and we feel a big one - Frank Owens will give to the criminal courts that independence of political pressure, that all important spark of energy necessary for their efficient functioning, and an absolute and unflinching desire for that which is right and will be influenced by no political element and only by his own conscience.

This District has the opportunity of voting for a man which will make a fine District Solicitor, H. Frank Owens.

(Published by friends of H. Frank Owens, who know the people of the District could not elect a finer Solicitor.)
